				<b>Total</b>		<b>16</b>

<sup>1</sup>Biology 102/103 may be waived with two years of high school biology.

<sup>2</sup>A student with a poor background in Chemistry should take Chemistry 112/113 before Chemistry 114/115. Also needs to have taken Algebra II in high school.

This is a suggested plan of study to fulfill the 60 hours of pre-requisites for the Bachelor of Science Dental Hygiene program at University of Missouri, Kansas City. These pre-requisites, required for admission, will vary between different programs. You need to determine the specific requirements for each school to where you plan to apply. Much of this information may be found on the web or by writing the respective admissions office.
