	Digital Literacy	3	17-342	An Introduction to Modeling	3
<b>Total Hours</b>		<b>16</b>	<b>Total Hours</b>		<b>16</b>
Third Year					
First Semester			Second Semester		
17-316	Linear Stat. Models I	3		Modern Language	3
17-311	Elementary Linear Algebra	3		Social & Behavioral Science	3
17-390	Transition to Proofs	3		Math Elective	3
10-220	Intro to Literature	3		General Elective	3
	Modern Language	3		General Elective	3
<b>Total Hours</b>		<b>15</b>	<b>Total Hours</b>		<b>15</b>
Fourth Year					
First Semester			Second Semester		
	Modern Language	3	17-495	Seminar in Math	2
	General Electives	6		General Electives	6
	Math Electives	6		Math Elective	3
				Fine Arts	3
<b>Total Hours</b>		<b>15</b>	<b>Total Hours</b>		<b>14</b>

*Students must earn a minimum total of 124 hours to complete their degree.*

This sample plan is a supplement to your Degree Audit. Consult your advisor on a regular basis for individual academic planning.

## THE NORTHWEST DIFFERENCE

---

Students in the mathematics major will recognize, represent, and use patterns to creatively address problems in a wide variety of settings. At Northwest, students will see and explore the beauty and utility of mathematics from a diverse faculty of highly qualified and nationally recognized mathematicians. Upon graduation, students will be able to compete successfully for jobs in business, industry, and government or continue in graduate studies.

## CAREER OPPORTUNITIES

---

**100%**  
placement rate

**100%** of mathematics graduates find employment or continue their education within six months of graduation. Below is a list of job titles:

- Convergence editor
- Business consultant
- Customer service information technology manager
- Forecasting analyst
- Math teacher
- Operations research analyst
- Network planner/designer/architect
- Technical marketing engineer
- Underwriter

\*Based on self-reported data.

## BEYOND THE CLASSROOM

---

Northwest Student Chapter of **Mathematical Association of American** (MAA) promotes the interest and study of mathematics through problem-solving, meetings, lectures and social events.

**Pi Mu Epsilon** is a national honorary society that promotes mathematics and honors students who have excelled in the major and helps students who need assistance with their studies.
