

## 2022-2023 Catalog

This Four-Year Plan is meant to supplement your **Degree Audit**. You should work with your academic advisor on a regular basis for individual academic planning.

\*This Four-Year Plan assumes a 24-credit hour minor. Credit hours for minors can vary and may have an impact on the number of General Electives needed to reach the **120 credit hours needed for graduation**. Advanced Political Science courses and minor degree courses should be chosen with Advisor counseling.

\*POLS 34-102 and MATH 17-114 fulfill both a NW Core requirement and a major requirement, but the number of credit hours counts only once toward the total number of hours needed for graduation.

Milestone courses (denoted in yellow) are courses which, if not taken in the appropriate semester, can delay graduation.
