			Total		16

*Students selecting a Comprehensive Major in Agricultural Science must complete a minimum of 9 credit hours in at least three of the agricultural areas: agricultural economics, agricultural mechanization, agricultural education, agronomy, animal science and horticulture. Each course may be counted in only one major area.*

*Students must earn a grade of "C" or better in Ag 03-102, Introductory Agricultural Economics, Ag 03-130, Plant Science, and Ag 03-150, Animal Science. Students may have no more than 7 hours of "D" in courses required for this major.*
