| General Elective                 |        | 3         | Humanities/Philosophy              |        | 3         |
| General Elective                 |        | 3         | Sign Language (free elective)      |        | 3         |
| General Elective                 |        | 3         | <b>Total</b>                       |        | <b>13</b> |
| Biology Senior Seminar           | 04-491 | 1         |                                    |        |           |
| <b>Total</b>                     |        | <b>17</b> |                                    |        |           |

*Take Senior Assessment Exam in Advanced Biopsychology  
- See Advisor early in semester*

*Total hours: 124-125 hours (you need 124 to graduate)*

*Upper division hours: 51 ( if all psychology electives are 300+; you need 40 hours of 300+ classes)*

*\*recommended for PT/OT; otherwise, psychology elective*

*# recommend Drugs, Brain, & Behavior—(Fall Only)*

Through the selective use of elective courses, the bio/psych degree is easily adapted in order to include the professional school prerequisites for the following areas: nursing, physical therapy, occupational therapy, physician assistant, radiology, respiratory therapy, chiropractic, podiatry, dental hygiene, mortuary science. This particular example demonstrates a possible 4-year plan for a student wishing to attend physical therapy school; the recommendations may change depending on your career goals. See your advisor for more information

\ Please note this outline does not supersede the requirements listed in the Northwest Undergraduate Student Catalog nor does it constitute a contractual arrangement, rather it is for information only. It is the student's responsibility to be aware of and to meet all University and Department requirements as listed in the catalog.

*Fall 2010*
