

Biological Sciences

Biology - Pre-Radiography – 2 yr

Suggested Course Outline

First Year

¹ Biology	04-102/103	4		Medical Terminology	04-104	3
Algebra	17-118	3		Psychology	08-103	3
² Chemistry	24-114/115	4		English	10-112	3
English	10-111	3		<u>Zoology</u>	<u>04-114/115</u>	<u>4</u>
<u>Freshman Seminar</u>	<u>71-101</u>	<u>1</u>		<u>Total</u>		<u>13</u>
<u>Total</u>		<u>15</u>				

Second Year

Human Anatomy	04-436	4		Human Physiology	04-438	4
Physics	25-110/111	4		Government	34-102	3
Sociology	35-101	3		Computers	44-130	3
³ Public Speaking	29-230	3		<u>Humanities</u>		<u>6</u>
<u>Total</u>		<u>14</u>		<u>Total</u>		<u>16</u>

¹Biology 102/103 may be waived with two years of high school biology. In this case, a student may begin in Zoology 114/115.

²A student with a poor background in Chemistry should take Chemistry 112/113 before Chemistry 114/115. Also needs to have taken Algebra II in high school.

³Some programs prefer Fundamentals of Oral Communication (29-102) for three credit hours.

These are suggested courses designed to fulfill the pre-requisites for the Radiography program at University of Missouri-Columbia. Professional schools vary in these pre-requisites that are required for admission. You need to determine the specific requirement for each school to where you plan to apply. Much of this information may be found on the web or by writing the respective admissions office.
