* This program provides two options for persons desiring a career in foods and nutrition:

Option I The Didactic program in Dietetics at Northwest Missouri State University is currently granted developmental accreditation by the Commission on Accreditation for Dietetics Education (CADE) of the American Dietetic Association. The address for CADE is :

Commission on Accreditation for Dietetics Education
American Dietetic Association
120 Riverside Plaza, Suite 2000
Chicago, IL 60606-6995

This will lead to a CADE accredited supervised practice program and examination for Registered Dietitians.

Option II provides a strong background in nutrition and food management, with supporting courses in business management for persons desiring a career in restaurant and food service management.
