Dear Parents,

Welcome to what I know will be an awesome school year at Horace Mann Laboratory School. This will be a year of engaging, hands on, rigorous learning along with many exciting, fun opportunities. We look forward to a very positive and rewarding school year. As parents, grandparents, and family members, you are invited to join us at school activities and events whenever you can. We want you to be involved in your child’s education.

It is with great pleasure that introduce you to the Horace Mann teachers and staff. These are highly qualified professional educators and support personnel that are committed to providing our students many opportunities. Your child’s classroom teacher will be in contact via email and by phone in the next few weeks. I encourage you to ask questions and share the great things about your child with the teacher.

Our Horace Mann Secretary, Amy Ferguson, will be here from 7:30 am to 3:30 pm each day to assist you. You can contact Amy via email amyferg@nwmissouri.edu or 562.1233. Please do not hesitate to contact us if you have questions, concerns, or suggestions.

Again, welcome to the 2014-15 school year at Horace Mann Laboratory School, where a higher education begins here. I am looking forward to the year ahead and if I can be of assistance at any time, please let me know.

Sandy Seipel

Congratulations to Lane Hazen and Emily Yocom
