Dear Families,

The weather outside is beautiful and the squirrels around campus are in full play mode. This week many activities took place with first grade having a teacher visitor from Switzerland visit the classroom. Fourth graders ventured to Eugene Field Elementary School on Friday to participate in the DARE poster contest. Congratulations to Lucy Parsons and Kam Durnin, winners of the Horace Mann poster contest! Kam is also the overall winner and his poster will go on to the district round of competition. Congrats to our fourth graders!

Early bird practices begin at 7:30 a.m. on Tuesday for The Magin Jukebox cast. Thanks for your assistance in getting cast members here a little earlier for these practices. I had to chuckle as I was passing by the boys restroom the other day. Great harmony was coming from the bathroom as the boys were practicing their song for the program! They are having lots of fun with the songs and it will be a great program. Date: May 14, 7 p.m. Ron Houston Center

The annual Art Show is being combined with an Open House on Thursday, April 23 from 3:30-6:30 p.m. We are so excited to share the wonderful works of art the students have been creating all year. Please share the attached invitation with others and invite them visit our school and share in our celebration of art.

Thanks to the members of the POPCORN PATROL that come in on Fridays and make popcorn for everyone! We look forward to Popcorn Fridays and love the popcorn aroma throughout the building!

**NO SCHOOL ON MONDAY--Bearcat Club will be available from 7:30 a.m.-5:30 p.m. Please bring a sack lunch.**
