

### Questions to Ask Major Advisor

- ❖ What major/minor requirements do I have left to complete?
- ❖ Are there particular requirements you recommend I should or should not try to complete abroad?
- ❖ Are there any courses required by the department to be completed at Northwest?
- ❖ Is there a course sequel that I need to be aware of? Can I move courses around from my 4 year plan? (i.e. pre-requisites, courses offered every other semester, etc)
- ❖ Are there courses required for my major that are offered only once a year?
- ❖ \*\*\*I have copies of course descriptions for courses I am considering taking abroad. Do these courses meet any of my major/minor requirements? Do you have any suggestions as to what NW courses would be equivalent to these courses? Do you know the name of the professors who would approve to transfer these courses?<sup>1</sup>

---

<sup>1</sup> This question will depend on student researching and obtaining course descriptions prior meeting advisor.
