Section 1 - Chemical Product and Company Identification

MSDS Name: FL-70 Detergent, Biodegradable
Catalog Numbers: NC9149545, S70114, SF105-1, SF105-4
Synonyms: Concentrated cleaning compound.

Company Identification: Fisher Scientific
One Reagent Lane
Fair Lawn, NJ 07410
For information in the US, call: 201-796-7100
Emergency Number US: 201-796-7100
CHEMTREC Phone Number, US: 800-424-9300

Section 2 - Composition, Information on Ingredients

Risk Phrases:
CAS#: 64-02-8
Chemical Name: Tetrasodium ethylenediaminetetraacetate
%: 1.4
EINECS#: 200-573-9

Risk Phrases:
CAS#: 143-19-1
Chemical Name: Sodium oleate
%: 0.5
EINECS#: 205-591-0

Risk Phrases:
CAS#: 144-55-8
Chemical Name: Sodium bicarbonate
%: 0.1
EINECS#: 205-633-8

Risk Phrases:
CAS#: 497-19-8
Chemical Name: Sodium carbonate
%: 2.7
EINECS#: 207-838-8
Section 3 - Hazards Identification

EMERGENCY OVERVIEW

Warning! Causes eye irritation. May cause skin and respiratory tract irritation. Do not freeze. Target Organs: Eyes.

Potential Health Effects
Eye: Causes eye irritation.
Skin: May cause skin irritation. Prolonged and/or repeated contact may cause irritation and/or dermatitis. In studies with rabbits, sustained occluded skin contact with the undiluted secondary alcohol ethoxylate surfactant can cause inflammatory changes in the lung. Skin contact may cause an allergic skin reaction (sensitization) in a small proportion of individuals.

Ingestion: Causes gastrointestinal irritation with nausea, vomiting and diarrhea. Possible aspiration hazard.
Inhalation: Inhalation of a mist of this material may cause respiratory tract irritation.
Chronic: Prolonged or repeated skin contact may cause dermatitis.

Section 4 - First Aid Measures

Eyes: In case of contact, immediately flush eyes with plenty of water for at least 15 minutes. Get medical aid.

Skin: In case of contact, flush skin with plenty of water. Remove contaminated clothing and shoes. Get medical aid if irritation develops and persists. Wash clothing before reuse.

Ingestion: Potential for aspiration if swallowed. Get medical aid immediately. Do not induce vomiting unless directed to do so by medical personnel. Never give anything by mouth to an unconscious person. If vomiting occurs naturally, have victim lean forward.

Inhalation: If inhaled, remove to fresh air. If not breathing, give artificial respiration. If breathing is difficult, give oxygen. Get medical aid.

Notes to Physician:

Section 5 - Fire Fighting Measures

General Information: As in any fire, wear a self-contained breathing apparatus in pressure-demand, MSHA/NIOSH (approved or equivalent), and full protective gear. During a fire, irritating and highly toxic gases may be generated by thermal decomposition or combustion. Use water spray to keep fire-exposed containers cool.

Extinguishing Media: Use extinguishing media most appropriate for the surrounding fire.

Autoignition Temperature: Not applicable.
Flash Point: Not available

Explosion Limits: Not available

Explosion Limits: Not available

NFPA Rating: health: 2; flammability: 1; instability: 0;

Section 6 - Accidental Release Measures

General Information: Use proper personal protective equipment as indicated in Section 8.

Spills/Leaks: Absorb spill with inert material (e.g. vermiculite, sand or earth), then place in suitable container. Forms smooth, slippery surfaces on floors, posing an accident risk. Avoid runoff into storm sewers and ditches which lead to waterways. Clean up spills immediately, observing precautions in the Protective Equipment section.

Section 7 - Handling and Storage

Wash thoroughly after handling. Remove contaminated clothing and wash before reuse. Use with adequate Handling: ventilation. Avoid contact with eyes, skin, and clothing. Keep container tightly closed. Avoid breathing spray or mist.

Storage: Store in a cool, dry, well-ventilated area away from incompatible substances. Keep containers tightly closed. Protect from freezing.

Section 8 - Exposure Controls, Personal Protection

OSHA Vacated PELs: Tetrasodium ethylenediaminetetraacetate: None listed Sodium oleate: None listed Sodium bicarbonate: None listed Sodium carbonate: None listed Triethanolamine oleate: None listed Water: None listed Polyethylene glycol: None listed Alcohols, C12-14-secondary, ethoxylated: None listed

Engineering Controls:
Facilities storing or utilizing this material should be equipped with an eyewash facility and a safety shower. Use adequate ventilation to keep airborne concentrations low.

Exposure Limits

Personal Protective Equipment
Eyes: Wear chemical splash goggles.
Skin: Wear appropriate gloves to prevent skin exposure.
Clothing: Wear appropriate protective clothing to prevent skin exposure.

Follow the OSHA respirator regulations found in 29 CFR 1910.134 or European Standard EN 149. Use a Respirators: NIOSH/MSHA or European Standard EN 149 approved respirator if exposure limits are exceeded or if irritation or other symptoms are experienced.

Section 9 - Physical and Chemical Properties

Physical State: Liquid
Color: yellow
Odor: none reported
pH: alkaline
Vapor Pressure: Not available
Vapor Density: >1.0
Evaporation Rate: >1 (ether=1)
Viscosity: Not available
Boiling Point: > 100 deg C (> 212.00°F)
Freezing/Melting Point: 0 deg C (32.00°F)
Decomposition Temperature: Not available
Solubility in water: Completely soluble in water.
Specific Gravity/Density: 1.04
Molecular Formula: Mixture
Molecular Weight: 0

Section 10 - Stability and Reactivity

Chemical Stability:
Stable at room temperature in closed containers under normal storage and handling conditions.

Conditions to Avoid:
Extreme temperatures.

Incompatibilities with Other Materials
Strong oxidizing agents.

Hazardous Decomposition Products
Nitrogen oxides, carbon monoxide, carbon dioxide.

Hazardous Polymerization
Will not occur.

Section 15 - Regulatory Information

European/International Regulations

European Labeling in Accordance with EC Directives
Hazard Symbols: XI
Risk Phrases:
R 36 Irritating to eyes.
Safety Phrases:
S 24/25 Avoid contact with skin and eyes.
S 26 In case of contact with eyes, rinse immediately with plenty of water and seek medical advice.
