

Northwest Missouri State University

Policy and Procedures Manual

Chapter Campus Safety

Section Skateboards, Rollerblades,
Bicycles, etc.

I. Purpose

This policy has been established to assure the safety of the entire Northwest community.

II. Policy

Skateboards, rollerblades, and bicycle activity should be conducted with courtesy towards all persons using the sidewalks. Such activity should be conducted away from the University buildings and high traffic areas.

- All University sidewalks and walkways are to be considered high traffic areas.
- All pedestrians have the right of way over the above mentioned modes of transportation using the sidewalks.
- Cycling, skateboarding, and rollerblading in buildings and off stairways and retaining walls are prohibited.
