## Policy and Procedures Manual

**Chapter** Campus Safety

**Section** Motorist Assistance

### I. Purpose

The Campus Safety Department will provide, when possible, motorist assistance, according to the following guidelines.

### II. Policy

When requesting motorist assistance from Campus Safety, provide the following information:

- Nature of the requested assistance
- Location of vehicle
- Color and make of vehicle
- (Motorist should remain with vehicle)

Campus Safety personnel will not provide battery jumper cable assistance during heavy rain or lightning.

Officers do not unlock car doors.

**The person requesting motorist assistance must sign a waiver, which authorizes the Officer to attempt to provide the service at no risk of liability for damages that might occur.**
