Quote of the Month

There are no shortcuts to anyplace worth going.

- Beverly Sills

To promote student awareness of recycling, the first annual Dumpster Dive was held on April 20th. An Environmental Services team weighed, sorted, then re-weighed one dumpster. Of the original 1300 lbs of trash, 600 lbs of recyclables were recovered (44%).

1 day, 1 dumpster… 600 lbs kept out of the landfill!
