Landscape Team Receives Tower Service Award

“The Tower Service Award is the highest honor that Northwest can bestow on its students and employees. The Student Senate established the Tower Service Award in 1987 and is presented to individuals, advisors, and teams who demonstrate exceptional commitment to the University and its mission. Recipients are selected based on their continuing accomplishments and service to the Northwest community.” - Office of Campus Activities Page.

Facility Services Landscape Team was this years recipient of the Tower Service for Employee Team for their dedication to making the campus grounds beautiful and appealing.

Student Award of Excellence for Reliability

Betsy Heitshusen received the Student Award of Excellence for Reliability. Betsy works in the office of Facility Services and is a wonderful asset to the Facility Services team. She is always willing to take on any project and help any section with tasks that need to be completed.
