Northwest recycle team was recognized at Jefferson City for the State Annual Recycling Award. This is the second time in three years that our team has received this award. The state recognized our recycling efforts in 2013 for a mixed material baler that our team members created to create a more efficient way of recycling.

Northwest was also recognized for the composting program that is

Bearcat Pitch Soccer Field was awarded the Fields of Excellence Award by Pioneer Athletics as one of the top fields in 2013. Our Athletic Grounds crews have done a wonderful job maintaining the field as well as going above and beyond with decorating the field for special events. Pictured (left) is a field painting done for Kickin’ for a Cure game that was played in October of 2013. This award is given to honor outstanding athletic fields and the hard-working crews that maintain them.
**Residential Maintenance Zone**

Chris Redmond was hired full time as a General Maintenance I on January 21, 2014. Chris enjoys hunting, fishing and cruising the back roads. He is a professional taxidermist, learning this skill from Pennsylvania Institute of Taxidermy. Chris lives in Braddyville, IA and is originally from Barnard, MO.
