EMPLOYEE SPOTLIGHT

Mark Morin **Custodian**

Mark has been working for Facility Services for 13 years. He enjoys the flexibility that his position offers. Prior to working for Northwest, he worked for Energizer.

Mark was born and raised in Ravenwood, MO. He and his wife Vickie have two daughters, Megan and Mandi and two grandsons, Brogan and Colin.

When Mark isn't working, he likes to spend time on his woodworking projects.

Rush Lake, MN was an annual fishing destination during Mark's childhood. He now continues the tradition with his wife, children, and grandchildren.

Thank you Mark for your dedicated 13 years at Northwest and the Facility Services department!

MESSAGE FROM THE AVP

Team,

My sincere thanks for your valuable input during the recent series of discussions relating to the 2021 Employee Engagement Survey Results, and I look forward to the upcoming scheduled sessions. On behalf of the Facility Services leadership/supervisory team, I pledge our commitment to carefully evaluating and acting on identified operational concerns which are within our reach and in the best interest of the Facility Services department and University.

I appreciate all you do.

Dan

Suggestions?

We want to hear your ideas on how to better serve our customers and improve your department’s work environment.

If you have a suggestion please feel free to drop it in the “Comments” box located in the Facility Services Administration office area.

CAMPUS KUDOS

Facilities Team,

Just wanted to express appreciation for the custodians, painters, and all others who have worked so hard in the administration building lately. The painting in the stairwell looks great! The quick response to recent work orders has been very much appreciated. Our custodial team always takes extra care to ensure our office areas are clean far beyond our expectations.

Thank you, thank you, THANK YOU!

-Finance Team

Beth Strueby Thank you for coming in twice over the Holiday break to help shovel snow and clean up water in a stairwell. You are the best!

From Beth Russo

...

From Deb Redmond

Thank you to environmental services who cleaned Martindale 302 on Nov. 30th after another group had left the room and the floor a mess. The Natural Resource History & Interpretation Final project was a success due to this. We greatly appreciated those who took the extra time to clean this room. The event was a success!-- Dr. Alice Foose

Alyssa Pulley, Dan Haslag, and Adam Randles! KUDOS to each of you for an amazing introductory meeting for our potential P3 project at Northwest! You all were well prepared and excelled at your representation of Northwest! I am super excited to work with this team on this project! Exciting opportunities are on the horizon! Thanks for all

Caleb Booth,

Thank you so much for the extra help scooping snow I really appreciated it!!

From Mary Collins

...

From Deb Redmond

Special thanks to Tony Christian and Amy Chor for their excellent work preparing Martindale 302 for the exhibit.

...

From Gina Smith

ESSENTIAL STAFF REMINDER

Emergencies, such as inclement weather, may arise and the President or their designated representative will make the decision and announcement of any University closings or cancellations. Northwest Missouri State University will maintain essential services and operations needed at that time. When a closing or cancellation occurs, essential staff will report to work as usual. There are some individuals who may be required to perform essential services remotely and those individuals will be identified in advance and notified by their supervisors, but in most cases essential staff is expected to be on-site.
