Since 1992 the University has collected and processed waste paper to produce fuel pellets to heat our campus.

The Runt location is now called The Jones.

Employee Spotlight

Employee of the Month-Facility Services & Maintenance

Jared Groomer

Jared is being recognized for his work on Alisa Meyer’s Office in the Math Department. “Thank you SO MUCH for the awesome job you did painting the Math Office, dis-assembling and re-assembling my desk and hanging all of my accessories. The office looks AMAZING and I can’t quit smiling!” - Alisa Meyer

Employee of the Month– Capital Programs

Terri Carmichael

Terri is absolutely one of the most knowledgeable, thorough, organized, and generally helpful person I have ever worked with. She goes well beyond expectations by coming in on her own time to be sure that projects are completed correctly.

Team of the Month– Maintenance/Transportation

Below: John Redden, Josh Allen, Sonny Scadden, Rex Welch, Steve Redmond, Dave McClintock, Rick Allen, Reggie Reno, Jason Sybert, Tanner Walker, Jason Hicks Not Pictured: Robert Redig and Doug Rush

Thank you to those who helped when the radial switch gear, located north of Franken, failed which caused loss of electricity on campus.

Employee of the Month– Service Response

Betsy Heitshusen

Betsy is being recognized for helping the Residential Zone change the convector PM’s on TMA.
Northwest Recycling
May Amounts

Aluminum: 670 lbs.
Cardboard/Paper: 34,190 lbs.

Employee Highlights

Clarence Ebrecht, transportation mechanic, won the grand prize boat at the Big Fish competition. He was included in the grand prize drawing after catching a fish that weighed 3.92 lbs.

May Thrive Winner—Custodial
Melanie Faustlin
Melanie is recognized for her help cleaning student housing to meet the monthly goals.

New Employee
T.J. Allen has joined our team in the Athletic Grounds Department. T.J. lives in Maryville with his wife and kids. He enjoys fishing, hunting, and chasing his kids.

Welcome to our team!

“I takes much courage to have tried and failed as it does to have tried and succeeded.”
- Anne Morrow Lindbergh

Upcoming Events
July 4th: Independence Day—Campus is closed
July 3rd: 2nd Block Summer Classes end
July 8th: 3rd Block Summer Classes begin
July 17th & 18th– All Employee Team Meeting

**Facility Service’s picnic will be held in August, further information will be announced.

Bearcat Safety Tip of the Month
Mercury Hazards: Broken Light Bulbs

A fluorescent light bulb contains mercury, which can cause health issues. Open windows and doors to provide air circulation if a bulb breaks. Use disposable chemical resistant gloves. Do not use a broom or vacuum to clean up. Instead use a mercury spill kit or cardboard pieces. Pick up any remaining pieces with sticky tape and then use a damp paper towel.

Facility Services 660-562-1648
Department Highlights

Above: Tanner Walker and Jeremiah White standing in front of two recently purchased maintenance trucks.

Left: Jessep Englert upgrading a fixture in Owens Library to reduce power consumption by 45%.
