# Head Coach Mark Rosewell

Head coach Mark Rosewell begins his 25th season as head men's and women's tennis coach at Northwest Missouri State University. The 2009 season will mark his 28th as a collegiate head coach as he was the general at the University of Central Missouri prior to Northwest.

Rosewell has built Northwest into one of the strongest programs in the MIAA and the nation. He is the winningest coach in Northwest history in any sport, with 914 career coaching victories

For the sixth straight season, Rosewell led one of his teams to the NCAA Division II Round of 16, sending the women's squad to Houston, Texas. Both men's and women's teams hosted one of two North Central Regional Tournament pods May 9 and 10.

This season, Rosewell's women's team went through MIAA play undefeated at 7-0 and finished second at the MIAA Postseason Tournament. His men's squad reached as high as 26th in the ITA rankings. Rosewell also coached Kristina Vucenov to a ITA North Central singles title and a fifth-place finish in the ITA National Small College Championships.

In 2007, Rosewell guided the men's team to a No. 32 national ranking, their highest since 2004. His men's squad advanced to their third straight MIAA Championship appearance, finishing runner-up to Washburn. He also coached a men's doubles team to the ITA Small College Championships in October 2006, after hosting the ITA North Central Regional.

The 2006 women rattled off 15 straight wins to start the year and were ranked 35th in the final ITA poll. For the second consecutive season, Gena Lindsay earned MIAA Player of the Year honors and the MIAA Sportsmanship of the Year Award.

In 2003, Rosewell led a Northwest team to the NCAA Division II Quarterfinals for the second time in his tenure. The Bearcat women were 24-10 overall and reached the round of eight in the NCAA Division II Championships.

Rosewell's 2003 Bearcat women also won their third consecutive MIAA Championship.

In 2002, Rosewell led the Bearcats to both the men's and women's MIAA Championships. It was the fifth time in his career. Rosewell is the only coach in the MIAA to have pulled off the MIAA men's and women's sweep this many times.

Rosewell has guided the Bearcat men's and women's programs to 16 MIAA titles and 21 appearances in the NCAA Regionals. His 16 MIAA Championships are easily the most of any coach in Bearcat history.

His 1997 women's team won a school-record 28 matches and advanced to the NCAA Division II Quarterfinals. The women also put together a school-record 24-match winning streak that season.

Since the Lexington, Mo., native took over the Bearcat tennis teams in 1985, he has guided the men's team to a 338-182 record. Rosewell's men have garnered six MIAA Championships, three regional championships and 61 MIAA singles or doubles titles.

Over that same amount of time, the Bearcat women have put together a record of 382-150. They have won 10 MIAA titles, made two trips to the NCAA Quarterfinals and have won 76 MIAA singles or doubles championships.

Rosewell has been named MIAA Men's or Women's Coach of the Year 18 times after earning the nod twice in 2006.

Due to Rosewell's efforts, Northwest has hosted 17 regional ITA fall tournaments. In Rosewell's tenure, Northwest has hosted seven NCAA Division II regional tournaments after the men and women hosted the latest tournament in 2008.

Rosewell came to Northwest from the University of Central Missouri, where he served as head men's and women's tennis coach in 1983 and 1984. He guided the UCM women to a 9-3 record, finishing third in the MIAA in 1984.

As a player at Central Missouri from 1974-77, Rosewell compiled the team's best career winning percentage in the 1970s.

After earning his bachelor's degree in physical education, Rosewell remained with the UCM program for two more years, completing work on his master's degree in industrial safety engineering. During that time, he served as the Mules' and Jennies' head coach.
