

Northwest COMPASS Peer Educator Substance Use Agreement

I, recognize that as Northwest COMPASS Peer educator, I am a role model to my peers at the Northwest Missouri State University. I further understand that my actions outside of Northwest COMPASS Peer Education and my organization (Compass & Peer Theatre) reflect back on my organization, the Wellness Resource, and all the individuals involved.

As a COMPASS Peer Educator, I agree to abide by the following philosophy:

If I choose to drink, I will do so responsibly.

By agreeing to this statement, I declare that:

- 1) I will not be intoxicated in public.**
- 2) I will not drink and drive.**

Furthermore, in keeping with the spirit of conducting myself as a role model to my peers:

- 3) I will neither use illegal drugs, nor use legal drugs in an illegal manner.**

I recognize that if I am charged with Minor in Possession, a Minor in Possession by Consumption, Driving While Intoxicated, or other alcohol or drug related charge I will likely be released as a Northwest COMPASS Peer Educator.

Finally, I understand that if I have had any problems or legal issues with any of the previously listed issues my advisor, and the Wellness Resource center would appreciate a disclosure. I understand revelation of a past issue with any of the above will not be held against me.

If I see or hear of another Peer Educator breaking this contract I will attempt to speak with him or her and if necessary, notify my advisors (Callie Poore and Vince Shisler).

The preceding pledge will hold true as long as I am Northwest COMPASS Peer Educator.

If I break this contract, I expect to be put on probationary status or be dismissed as a Northwest COMPASS Peer Educator.
