

**Draft Minutes of the Meeting of the Open Meeting
Board of Regents of
Northwest Missouri State University
Tuesday, March 16, 2010, 1 p.m.**

The Board of Regents of Northwest Missouri State University met on Tuesday, March 16, 2010, in the Board Room of the J. W. Jones Student Union at 1:00 p.m., after notice was duly given to each member of the Board.

The following members of the Board were present: President Bill Loch; Vice President Lydia Hurst, Mrs. Rita Hanks; Mr. Doug Sutton; Ms. Rachelle Brown; Dr. Douglas Wyckoff; and Mr. Bradley Gardner, student representative to the Board. Mr. Gary Panethiere participated by telephone for the meeting. Also present: Dr. John Jasinski, University President, Attorney Scott Sullivan and Attorney John Reddoch.

OPEN SESSION

Roll call was taken and, a quorum being present, President Loch called the meeting to order and the following business was transacted.

Recognition

Regent Bill Loch recognized Pat Wyatt, Library, for completing the Master of Science in Higher Education Leadership Program.

Regent Bill Loch recognized Dr. Shelly Hiatt, assistant professor, Department of Psychology, Sociology and Counseling. Dr. Hiatt was honored by the Northwest Missouri School Counselor Association as School Counseling Supervisor of the Year.

Regent Bill Loch recognized Dr. Jerry Wilmes, Director of Health Services. Dr. Wilmes joins an elite group of individuals over the past 40-plus years to receive the honor, acknowledging professional accomplishments as well as leadership and service to ACHA and its affiliates.

Awareness

Dr. Thomas Billesbach, Dean of the Booth College of Business and Professional Studies, and Dr. Charles McAdams, Dean of the College of Arts and Sciences, presented information on the Center for Innovation and Entrepreneurship.

Resolution #8573: Regent Wyckoff made a motion, seconded by Regent Hurst, to approve the minutes of January 22, 2010. A roll call vote was taken:

Regent Hanks, yes

Regent Sutton, yes

Regent Hurst, yes

Regent Brown, yes

Regent Wyckoff, yes

Regent Panethiere, yes

Regent Loch, yes

Motion carried unanimously.

Unfinished Business

Regent Loch indicated that a committee comprised of Regents Wyckoff, Panethiere, and Loch will meet in the near future with President Jasinski to discuss changes and updates to the Board Bylaws.

New Business

Resolution #8574: Regent Hanks made a motion, seconded by Regent Hurst, to approve the following curriculum proposals. A roll call vote was taken:

Regent Hanks, yes

Regent Sutton, yes

Regent Hurst, yes

Regent Brown, yes

Regent Wyckoff, yes

Regent Panethiere, yes

Regent Loch, yes

Motion carried unanimously.

BOOTH COLLEGE OF BUSINESS AND PROFESSIONAL STUDIES, Computer Science/Information Systems

Proposal #109-44-15. Deletion of certificate Program: Medical Administrative Assistant. Enrollment in this program has been very low in recent years. Only three students have completed the program in the last 8 years. No students are currently enrolled in the program.

BOOTH COLLEGE OF BUSINESS AND PROFESSIONAL STUDIES, Marketing/Management

Proposal #209-54-04. Change in course: Change in credit hours. *54-619, Problems in Business*. OLD: 3 credit hours. NEW: 3-6 credit hours. This course serves as an independent study course in the MBA program. There is an increasing number of MBA students studying abroad; most study abroad programs require students to enroll in at least 6 hours of credit. Increasing the credit hours for *Problems in Business* will provide the flexibility necessary to assist students in optimizing their study abroad hours. Additionally, because MBA students have 3 hours of free electives, this course also can serve other graduate students who might need these elective hours to complete the MBA program.

Proposal #210-55-01. Change in major: *Marketing*. The department benchmarked marketing programs at selected and high quality peer institutions. The results reveal that of the 47 institutions benchmarked, only two institutions included *Managerial Accounting* in their curriculum. After consulting with the departments professional advisory board, the department proposes to:

Remove *Acct 51-408 (3 cr)* from required courses and replace it with *55-332 Promotion (3 cr)*; currently this course list listed as an elective option)

Add two courses to the 6 hours of required elective options: *54-415 Business internship* and *55-440 Business Study Abroad*

Replace current "recommended elective" course listings with the phrase "300- or 400-level advisor-approved elective"

The number of hours required in the major remains unchanged.

Proposal #210-54-02. Change in major: *Business Management*. The department benchmarked marketing programs at selected and high quality peer institutions. The results reveal that of the 47 institutions benchmarked, only five institutions included *Managerial Accounting* in their curriculum. After consulting with the departments professional advisory board, the department proposes to:

Increase the number of required courses from 12 hours to 15 hours

Remove *Acct 51-408 (3 cr)* from required courses

Add *54-318 Entrepreneurship (3 cr)* and *54-320 Negotiations (3 cr)* as required courses; currently these courses are list listed as an elective options

Add three courses to the 6 hours of required elective options: *54-415 Business internship*; *55-440 Business Study Abroad*; and *54-436 Multinational Management*

Reduce the number of current "300- or 400-level advisor-approved elective" hours from 6 hours to 3 hours

The number of hours required in the major remains unchanged.

COLLEGE OF ARTS AND SCIENCES, Art

Proposal #109-13-03. Change in course name. Change *13-305 Color and Digital Photography* to *Advanced Digital Photography*

Memorandum of Understanding
Community of Professional Masters Degree Programs in GIS&T

18 February 2010

Many students complete graduate and post-baccalaureate credit certificate programs in geographic information science and technology (GIS&T or “geospatial”) and aspire to earn a professional masters degree in the same field. A substantial portion of these students will gain admission to a professional masters program in a different institution than the one at which they earned a certificate. This agreement establishes a “Community of Professional Masters Degree Programs in GIS&T” which assures such “transfer” students that a minimum number of graduate credits earned at one institution will count toward the professional masters degree requirements of any program within the Community.

Eligibility for membership: Charter members of the Community are the regionally accredited institutions of higher education with professional masters degree programs in GIS&T named below, whose missions, curricula, policies, and quality assurance mechanisms are comparable and compatible. Subsequent member institutions and their respective programs will be admitted by unanimous consent of the charter members, after review of the prospective new member's missions, curricula, policies, and quality assurance mechanisms.

Termination: Membership of any institution may be discontinued for just cause by unanimous consent of the other members. Any member may cancel or withdraw membership upon 10 days written notice, but such cancellation or withdrawal of membership shall not affect students whose credit hours were previously accepted.

Admission into a graduate degree program: Membership in the Community does not imply that graduate programs must admit applicants who have earned credits from other member institutions in the Community. Each program in the Community will admit students according to its own criteria and procedures.

Transfers of credit: Of the minimum number of credits required to earn professional masters degrees in GIS &T at each member institution, the respective **member agrees to accept at least 10 credits transferred from other member institutions in the Community.** The common conversion between semester credits (S) and quarter credits (Q) (i.e., $S = 1.5 \cdot Q$) will be used unless otherwise stipulated in an addendum to the memorandum of understanding. To be eligible for transfer, credits must be associated with a grade of “B” or higher, appear on an official graduate transcript, and meet any other credit standards of the respective member institution at which the masters degree is being sought. Transferred credits may be counted in lieu of required courses or as electives at the respective program’s discretion, but at least 10 transferred credits must count toward degree requirements.
