Verbal reports were presented by the following individuals:

- **Ms. Anna Tucker, Student Senate President**

As July comes to a close, I'm excited to share a few key updates as we prepare to kick off the fall semester.

Presidential Transition Meetings: As mentioned briefly last month, I had the opportunity this summer to meet with Dr. Tatum, Dr. Baker, and Dr. Hoffmann as part of my leadership transition. These conversations were incredibly insightful and helped shape many of our goals for the year ahead. I'm grateful for their time and support—and I'm looking forward to continuing to build strong partnerships across campus leadership. If any of you would ever like to talk more in-depth about Senate's goals, please don't hesitate to reach out. I'd love to connect.

Athletics & Student Engagement Initiatives: We're currently exploring partnerships to help increase student attendance at athletic events. These efforts reflect one of Senate's top priorities: boosting student engagement and building a strong sense of Bearcat pride. Our goal is to help students feel more connected, more involved, and more excited to be part of this community.

Fall Retreat & Senate Preparation: Planning for our fall cabinet retreat is nearly complete. The retreat will focus on leadership development, team building, and setting our strategic goals for the semester. We're also working to fill the remaining Senate vacancies and have seen great interest from both new and returning students—which is a strong sign for the year ahead.

Looking Ahead: I truly can't wait to be back on campus and to see students returning. There's a lot of momentum building, and I'm proud to lead a Student Senate that is committed to being collaborative, transparent, and focused on making a real impact.

Thank you for your continued support as we begin another exciting year.

- **Dr. Lance Tatum, President**
 - SOAR events concluded with good attendance.
