The Board of Regents (sometimes referred to herein as the “Board”) of Northwest Missouri State University (the "University") shall have and exercise the corporate powers prescribed by law. Its primary function shall be policy-making, oversight, and responsibility for sound resource management of the University, including delegating duties to administration, officers, faculty, and others as needed. Board of Regents shall further determine the general, educational, and financial policies, and shall have the power to carry out any functions that are permitted by these Bylaws, except as limited by law. These powers shall include but shall not be limited to the following:

5. Approve the employment of all University leaders, defined for this purpose as the President of the University, members of the President’s leadership team, and academic deans.

For all purposes of these Bylaws and the operation of the University, to avoid confusion between titles of University officials, the person acting as president of the Board of Regents will be referred to as the “Chair” of the Board of Regents and the person acting as vice-president of the Board of Regents will be referred to as the “Vice-Chair” of the Board of Regents.

7. Appoint the Chair of the Board and any other officers of the Board in accordance with these Bylaws and applicable law, and remove them at the pleasure of the Board with a majority vote of the voting members of the Board, excluding the officer sought to be removed.

8. Determine the University’s structure and major academic programs and services needed for the successful conduct of its mission and purposes.

9. Grant diplomas and confer degrees based upon the recommendation of the President of the University and faculty.

10. The budget shall not be modified except with approval of five (5) voting members of the Board or consistent with Board policy.

11. Take, purchase, and hold real estate and sell and convey or otherwise dispose of the same.

12. Authorize the construction of new buildings and major renovations of existing buildings, the purchase of major equipment for use of the University, and the acquisition of supplies and services for use of the University.

13. Authorize the incurring of debts by the University and securing thereof by mortgage and pledge of real and personal property, tangible and intangible.

14. Contribute to the University’s fund-raising goals, participate actively in strategies to secure sources of support, and authorize University officers to accept gifts or bequests subject to Board policy guidelines.
15. In the event of vacancy in the office of the President of the University, appoint a special Presidential search committee to submit nominations for candidates to the office in accordance with procedures determined by the Board.

16. Serve actively as advocates for the University in appropriate matters of public policy in consultation with the President of the University and other responsible parties, as the Board shall determine.

17. Periodically assess its own performance, in order to set an example for the University community and to seek ways to strengthen its effectiveness as a corporate body.

18. Exercise oversight of the University’s intercollegiate athletic program to ensure compliance with NCAA and conference rules.

19. Exercise oversight of the University’s planning for succession of key leaders and continuity of operations.

20. Provide direction for the Missouri Arboretum.

21. Exercise such other authority as from time to time may be conferred upon the Board in accordance and compliance with the applicable laws and regulations of the State of Missouri.

22. All legal services for the University shall be contracted for and/or hired only by the Board of Regents. Notwithstanding the foregoing, the President may recommend to the Board candidates for legal counsel, which recommendation shall be considered by the Board. Counsel shall serve at the pleasure of the Board and the Board may terminate such services at any time. Counsel shall serve as parliamentarian for meetings of the Board, unless a different individual is appointed to serve as parliamentarian by the Chair.

ARTICLE II

Membership of Board. Except as otherwise set forth in Mo. Rev. Stat. § 174.332, the Board of Regents shall be composed of nine (9) members, appointed by the Governor as follows:

1. Six voting members shall be residents of the University’s “historic service region,” as described in Mo. Rev. Stat. § 174.010 and § 174.250, provided at least one of those six shall be a resident of Nodaway County;

2. Two voting members shall be residents of a county in the state that is outside the University’s historic service region, provided these two members shall not be members of the same congressional district; and

3. One nonvoting member shall be a full-time student of the University, a United States citizen, and a resident of Missouri.

ARTICLE III

Appointment of Board. Every two years during a regular session of the General Assembly, the Governor of the State of Missouri shall, by and with the advice and consent of the Senate, appoint two voting Regents for Northwest Missouri State University, and whenever a vacancy occurs in the Board by death, resignation, removal from the district, or by operation of law or otherwise, the Governor shall, in a like manner, immediately appoint some competent person to fill such vacancy and communicate his action thereon to the Senate at the next session of the General Assembly thereafter. The person so appointed shall hold his office subject to confirmation of the Senate, for the unexpired term. Not more than four (4) members of said Board shall belong to the same political party.

The nonvoting student member shall be appointed by the Governor with the advice and consent of the Senate. The student shall be enrolled full-time at the University and shall be selected from a panel of three names submitted through the President of the University to the Governor by the University’s president of the student government. If the student representative ceases to be a student at the University or a resident of Missouri, that position shall at once become vacant. If the position becomes vacant for that or any other reason, the Governor shall appoint a qualified replacement who shall serve until a successor is appointed.

Amended and Restated January 28, 2019
ARTICLE IV

Regent's Term of Office. The voting Regents shall hold their office for the term of six (6) years from the first day of January next prior to their confirmation and until their successors are duly appointed and qualified except such as may be appointed to fill a vacancy, who shall hold office for the unexpired term. A person shall be deemed to be qualified to succeed a Regent, who has held said office immediately preceding his appointment, upon confirmation of the Senate.

The nonvoting student Regent shall be appointed for a term of two (2) years, provided however, that the student may remain in office until a successor is appointed so long as the student otherwise remains qualified to hold the office.

ARTICLE V

Organization of Board of Regents. There shall be a Chair (i.e., the president) and Vice Chair (i.e., the vice-president) of the Board, who shall be chosen by the members of the Board, and there shall be appointed a Secretary and a Treasurer of the Board and such other officers as may be deemed necessary; but no Board shall appoint one of its members Treasurer. Such officers shall serve two (2) year terms. The date of election shall be at the June Board meeting in even numbered years. The Chair and Vice Chair may have one renewable term for not more than two (2) consecutive two (2) year terms or a total of four (4) years. An officer of the Board may be removed by a majority vote of the voting members of the Board.

ARTICLE VI

Election, Powers and Duties of the President of the University. The President of the University shall be elected by the Board upon receiving the affirmative votes of not less than two-thirds of the members of the Board who have voting privileges. He or she shall serve at the pleasure of the Board and shall only be removed as authorized by statute. The President of the University shall be the chief executive officer of the University and the official advisor to and executive agent of the Board of Regents and committees. The President shall, as educational and administrative head of the University, exercise a general superintendence over all the affairs of the University and bring such matters to the attention of the Board as appropriate to keep the Board fully informed in meeting its policy-making and fiduciary responsibilities. Furthermore, the President shall have power, on behalf of the Regents, to perform all acts and execute all documents to make effective the actions of the Board or its Executive Committee, if any. He or she shall be an ex-officio member of all committees of the Board without power to vote knowing that he or she may be excused for executive sessions as part of the Board’s regular operating procedures or protocols. The President shall have the authority to delegate, in whole or in part, his administrative authority granted under these Bylaws, or by other action of the Board, to such other officers, faculty and employees of the University as he or she may designate, either by general or specific delegation, with the right to revoke such delegation at any time.

ARTICLE VII

Meetings of Board of Regents.

1. Board Meetings. Meetings of the Board of Regents shall be held on the University campus or any other place that the Chair or a majority of the Board may from time to time designate. All meetings of the Board and its standing and special committees or subcommittees shall be held in accordance with the relevant statutes of the State of Missouri.

2. Regular Meetings. There shall be up to seven (7) regular meetings of the Board of Regents each year held at such times as the Board shall decide. At such meetings, any business relating to the University may be discussed and transacted. Any regular meeting may be continued by adjournment from day to day until adjournment sine die.

3. Rescheduling of Meetings. In the event circumstances require, the Secretary of the Board of Regents may reschedule any regular meeting of the Board of Regents, with proper notice as required by these Bylaws and relevant Missouri statutes.
4. **Special Meetings.** The Chair of the Board shall have the power to assemble the Board at any time in special meetings upon providing proper notice thereof. He or she shall do so upon the written request of at least two (2) members of the Board, or upon the resolution of the Faculty Senate, signed by the President or Vice President of the University and certified by the secretary thereof. In any such meeting, in person or by electronic communication, the Chair shall ensure that the Board complies with all provisions of the state’s open-meeting laws. At a special meeting, the Board may deal with only the business that was stated in the call for the meeting and no other business shall be transacted at such meeting unless all members of the Board are present and consent thereto.

5. **Quorum and Manner of Acting.** A majority of the voting members of the Board (i.e., at least five (5) voting members) shall constitute a quorum for the transaction of Board business. The Regents present at any meeting, if constituting less than a quorum, may adjourn any meeting until such quorum shall be present. All questions coming before the Board of Regents shall be determined by a majority vote of those Regents voting on that issue, unless otherwise required by law (e.g., votes regarding appropriation of money, contracts requiring the appropriation or disbursement of money, and employment or dismissal of teachers require at least five (5) voting members). Voting by proxy is not permissible. Regents may participate in any meeting of the Board by means of conference telephone or other communications equipment whereby all persons participating in the meeting can communicate with one another. Participation in a meeting in this manner shall constitute attendance at the meeting. Any action required to be taken at a meeting of the Board may be taken without a meeting if consent in writing setting forth the action so taken shall be signed by all of the voting members of the Board of Regents then in office.

6. **Executive Session.** Executive sessions of the Board will include the Regents, the President of the University and Secretary, unless otherwise instructed. Other individuals may be invited to give information as deemed necessary by the Board. Topics and purposes shall be limited to those matters permitted by the state’s open-meeting laws.

7. **Rules of Procedure.** Business before the Board shall be conducted according to the latest edition of Robert’s Rules of Order when not inconsistent with these Bylaws. With regard to protocols governing the petition of responsible individuals to address the Board, the Board may prescribe such protocols and ensure their availability in a policy separate from these Bylaws.

8. **Consent Agenda.** Items shown on the established agenda for a meeting of the Board may be placed upon a consent agenda whereby all items placed thereon are approved by summary action of the Board. Items may be placed on the consent agenda by the Chair of the Board, the President of the University, or the chairperson of any committee of the Board electing to place such item on the consent agenda, provided the same is accomplished not less than twenty four (24) hours prior to the meeting of the Board and that the Secretary of the Board shall present such consent agenda to the members of the Board immediately prior to the convening of the meeting. Provided further, however, that any member of the Board may remove any item from the consent agenda by notifying the Chair of the Board of the election to remove the item any time prior to a vote being taken on the consent agenda. The consent agenda requires approval by a majority vote of the Board in attendance for passage and adoption of each item on the consent agenda. Notwithstanding anything in these Bylaws to the contrary, a proposal made at a meeting may not be added to the consent agenda and/or voted upon at the same meeting at which the proposal was made; the Board may not take any action on any proposal made at a meeting until a subsequent meeting to allow time for adequate consideration of proposals.

9. **Notice to Regents.** Notice of all regular and special meetings of the Board of Regents must state the place, the day and hour of the meeting, and for special meetings, the purpose or purposes for which the meeting is called. Said notice shall be given to all Board members at least ten (10) days in advance, when practicable, by any reasonable method so long as actual notice of any such meeting is received by all Board members. The notice shall include a tentative agenda, and where possible, detailed financial and other information to be disclosed and or voted on at the meeting. No other business than that specified in the notice for a special meeting shall be considered at a special meeting, except by unanimous consent of all of the voting members of the Board. Notice may be waived in writing by any Regent either before or after the meeting, and attendance at any meeting by a Regent shall be deemed to be a waiver of notice unless the Regent attends to object to the transaction of business because the meeting is not lawfully convened.
10. **Notice to the Public.** In addition to notice to the Regents, notice in accordance with Mo. Rev. Stat. § 610.020 of the place, the day and hour of the meeting, its tentative agenda, and whether any portion of the meeting will be closed, shall be given to the general public of any such meetings in a manner reasonably calculated to advise the public of the matters to be considered.

11. **Emergency Meeting.** Any time when in the opinion of the Chair of the Board or in the opinion of the President of the University condition or conditions exist that would necessitate the calling of an emergency meeting or telephone conference call for immediate action by the Board, said meeting shall be called. Actual notice within twenty-four (24) hours of said meeting by any reasonable means shall be sufficient to satisfy notice requirements. This requirement may be waived by a majority of the voting members of the Board. Notice in accordance with Mo. Rev. Stat. § 610.020 shall be given to the general public of any such emergency meeting.

12. **Compliance.** Notice of all meetings and the conduct of all meetings, including executive sessions, shall comply with Mo. Rev. Stat. §§ 610.010 – 610.025 regarding said meetings.

13. **Expenses.** Each member of the Board shall receive as full compensation for his/her services six (6) cents per mile, or other reasonable mileage allowance as allowed by state law for mileage necessarily traveled in going to and from each meeting of the Board, and the actual expenses incurred during his or her attendance at same; all to be paid out of the contingent fund of the University.

**ARTICLE VIII**

**Attendance Policy.** To promote the effectiveness of the Board’s functioning, all Regents shall attend all meetings of the Board; provided however, that when necessary, such attendance may be by electronic, real-time participation (e.g., conference call or interactive audio and video linkage). The Chair of the Board may excuse a Board member from attendance, and members shall advise the Chair of the Board of their request for such an excused absence as soon as they are aware of an impending scheduling conflict. If the Chair refuses to excuse a Board member from attendance, a two-thirds majority vote of the remaining members of the Board in attendance may excuse a Board member from attendance of a meeting after the Board member requests to be excused for unforeseen circumstances. Unexcused absences may cause a Regent to be sanctioned pursuant to these Bylaws.

Notwithstanding the above, each Board member shall attend in person at least three (3) of the regularly scheduled meetings of the Board each calendar year.

**Sanction of a Board Member.** Any Regent of the Board may be sanctioned upon the affirmative unanimous vote of all voting Regents of the Board then in office, excluding the Regent proposed for sanctioning (the “Subject Regent”), at any regular or special meeting of the Board called for that purpose. Sanction may be appropriate for conduct detrimental to the University, unexcused absences from three (3) consecutive meetings of the Board of Regents, lack of sympathy with its objectives, or refusal to render reasonable assistance in carrying out the University's purposes. A Subject Regent shall be entitled to written notice at least five (5) days before the meeting at which such sanction is to be voted on. He or she shall be entitled to appear before and be heard at such meeting. The Subject Regent may retain legal counsel upon receipt of written notice of such sanction, and the Subject Regent’s legal counsel is entitled to appear with the Subject Regent at the meeting at which the sanction is to be voted on. A unanimous vote of the members of the Board, excluding the Subject Regent, sanctioning said member will cause that member’s position to be vacant. A letter will be sent to the Governor of the State of Missouri explaining the Board’s decision.

**ARTICLE IX**

**Duties of the Officers of the Board of Regents.**

The Chair

Amended and Restated January 28, 2019

No Regent shall vote on any matter under consideration at a Board or committee meeting, or be present or otherwise participate in the discussions or deliberations with respect to such matter, in which such Regent has a conflict of interest. The minutes of such meeting shall reflect that disclosure was made and that the Regent having a conflict of interest abstained from voting. 2. A Regent shall refrain from using confidential information obtained as a Regent in any manner with intent to result in financial gain for himself or herself or for any other person or business with which that Regent is associated.

If any discrepancies exist between these Bylaws and applicable Missouri laws, the provisions of the Missouri laws shall prevail. Also, all meetings shall be conducted in accordance with Robert's Rules of Order.

ARTICLE XVII

Amendments. These Bylaws may be altered, amended, or repealed and new bylaws may be adopted by a vote of two-thirds (2/3) of the Board of Regents voting members present at any regular or special meeting thereof. In no event, however, shall any revision of these bylaws conflict with any Missouri law pertaining to the operation of the University. These Bylaws should be reviewed at least biennially by the Board or any committee as designated by the Board.

ARTICLE XVIII

Regent Oath and Sanctioning.

1. Each member of the Board is required to take an oath to discharge faithfully, impartially, honestly, and to the best of his or her abilities the duties of the Regent.

2. Any Regent of the Board may be sanctioned upon the affirmative unanimous vote of all voting Regents of the Board then in office, excluding the Regent proposed for sanctioning (the “Subject Regent”), at any regular or special meeting of the Board called for that purpose. Sanction may be appropriate for conduct detrimental to the University, unexcused absences from three (3) consecutive meetings of the Board of Regents, lack of sympathy with its objectives, or refusal to render reasonable assistance in carrying out the University’s purposes.
A Subject Regent shall be entitled to written notice at least five (5) days before the meeting at which such sanction is to be voted on. He or she shall be entitled to appear before and be heard at such meeting. A unanimous vote of the members of the Board, excluding the Subject Regent, sanctioning said member will cause that member's position to be vacant. A letter will be sent to the Governor of the State of Missouri explaining the Board's decision.

ARTICLE XIX

Adoption of Bylaws. These Amended and Restated Bylaws of the Board of Regents of the University shall be and become effective on the 28th day of January, 2019.
