## INTRO

---

Welcome to Northwest Missouri State University! The Northwest Professional Education Unit (PEU), a team of faculty and staff who prepare teacher, counselor and leader candidates, is pleased to welcome the visiting team members from the Association for Advancing Quality in Educator Preparation (AAQEP) and the Missouri Department of Elementary and Secondary Education (DESE) to our campus for a site visit with review of our self-study.

Northwest faculty and leaders are proud to be early adopters and key contributors to the development and implementation of the AAQEP frameworks and standards, and are thrilled to work with peer reviewers who can give us insight on strengths and opportunities for potential improvement.

Thank you for this opportunity to interact, collaborate and benefit from your observations and recommendations. Thank you for your service and volunteering your time.
