OPERATION Breakthrough

Start Date: Minority Educators of Northwest is raising money and collecting items for
2/18/2013
End Date: Operation Breakthrough, a non-profit organization in Kansas City.
4/12/2013

What is **Operation: Breakthrough**? It is an organization that cares for and helps families in the KC area, where 98% of families enrolled live far below the federal poverty guidelines, and gives children who are homeless or dealing with abuse or neglect a safe place to grow up in.

Because they are non-profit, donations are accepted to help keep the program running. Possible donations include money, hygiene items, school supplies, clothes, books, etc. Everything is used for the sake of the children and families.

Donation centers are in **all resident halls**, the **Station**, and the **IIC** (2nd floor Union). Any donation of money or items is greatly appreciated.
