When forms and sample documents are included, their use is authorized only by educators, local school sites, and/or noncommercial or nonprofit entities that have purchased the book. Except for that usage, no part of this book may be reproduced or utilized in any form or by any means, electronic or mechanical, including photocopying, recording, or by any information storage and retrieval system, without permission in writing from the publisher.

Note: Most of the students' names within this book are pseudonyms; however, there are two exceptions. The students' names were preserved on work artifacts reproduced in their original form within the text. In Chapter 13, we have included discussions with two students Vicki worked with one year later. Their actual names appear in the text.
