The Client Computing User's Guide is published once a year by the Information Systems Department's Client Computing Office, Northwest Missouri State University, 800 University Drive, Maryville, MO 64468.

Letters or email in response to the User's Guide are welcomed. We would also like to know what you like about the User's Guide and any suggestions for what you would like to see included in the User's Guide. Please limit your letter or email to 200 words and include your name, major or department, address and daytime phone number. Address correspondence to Kim Todd, Client Computing User's Guide, Information Systems Dept., Owens Library, Northwest Missouri State University, Maryville, MO 64468.

Northwest Missouri State University is an equal-opportunity, co-educational university and does not discriminate based on race, sex, disability, age, national origin or religion.

## Information Systems

Northwest's *Information Systems* department has been a leader in providing its students high-access to computer technology since 1987.

We are supplying our students faster, more powerful computing and networking than ever before and are committed to meeting campus computing needs. Furthermore, we support and promote Northwest's *Vision, Mission* and *Values*.

*Information Systems* includes *Client Computing, Network & Server, Programming/Data Processing* and *Telecommunications*.

## Northwest's Mission

Northwest Missouri State University focuses on student success – every student, every day.

## Northwest's Vision

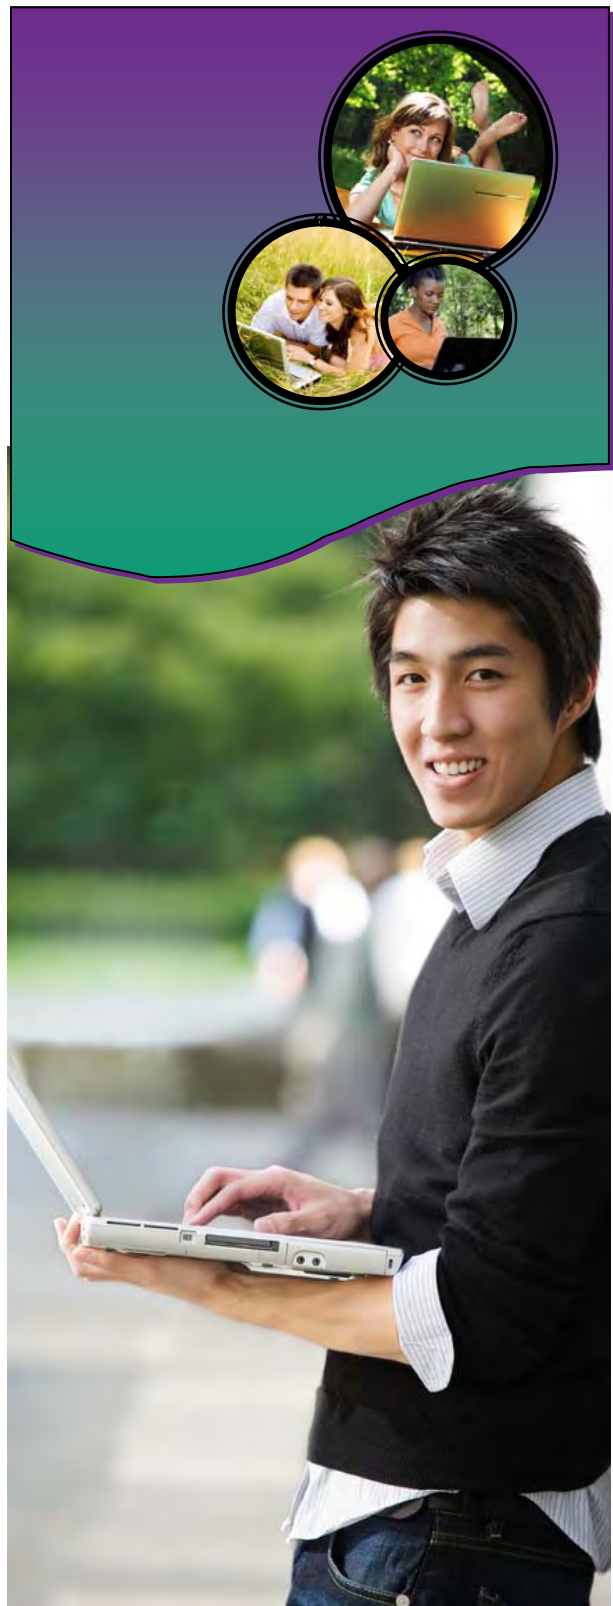

We will be THE university of choice for a comprehensive, exceptional student experience.

## Northwest Values

- Student success
- Scholarship and life-long learning
- Intercultural competence
- Collaboration
- Respect and integrity
- Strategic thinking
- Excellence

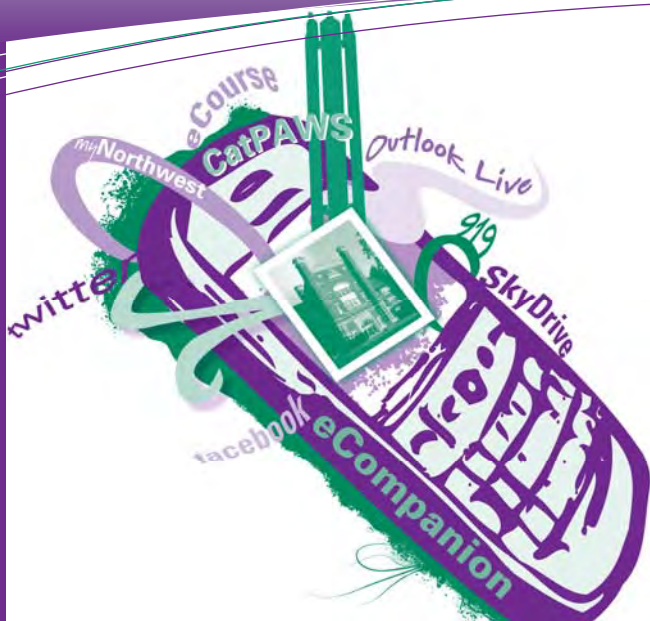

## Northwest's DNA

- Advocating one-to-one engaging relationships
- Keeping costs affordable
- Providing beautiful and safe surroundings
- Driving economic development and entrepreneurship to better our region and community
- Being socially responsible
- Delivering excellence through high expectations and servant leadership
