COMMUTING TO CAMPUS

First-year students meeting the commuting criteria must complete the [Commuting to Northwest card](#).

University policy states all **first-time freshmen** are required to live in the residence halls unless they are 21, married, have a child or commuting from their parent/legal guardian's primary residence within 60 miles of Maryville. Owning or purchasing a secondary property within the 60-mile radius does not satisfy the requirement. Permission is not granted for students to live with older siblings, aunts, uncles or grandparents unless they have legal guardianship. Freshmen commuting from home must complete this form. Providing false information violates the Student Code of Conduct and may subject the student to disciplinary sanctions. **Transfer and returning students** who plan to live off campus are asked to return this card to let us know their plans. This card should be completed within two weeks of when it is received.

For questions regarding first-year student housing requirements and commuting to campus, contact Residential Life at reslife@nwmissouri.edu, 800.633.1175 or 660.562.1214.
