You don't have to go far

to get profession-
based experience –
**it's all right here
on campus!**

AGRICULTURE STUDENTS AT NORTHWEST GET THEIR HANDS DIRTY

on our 448-acre working farm and participate
in laboratory – as well as culinary – experiments
in our 29,000 square-foot Agricultural
Learning Center.

OUR STATE-OF-THE-ART CENTER FOR CYBERSECURITY

hosts an annual Cyberpalooza, during which students get hands-on experience with cryptography, phishing, password cracking, Internet safety, 3D printing, coding and more.

THE HORACE MANN LABORATORY SCHOOL AND LEET CENTER

offer education majors clinical experience right here on campus while creating an interactive learning environment for children aged three through sixth grade.

Can't decide between
our **200+ majors and minors?**

Meta-Majors

allow you to start with a broader category of study while
you decide on the path **that's right for you.**

SCHOOL OF

Natural Sciences

"After this program, I have really felt empowered as a scientist. I learned a lot of things that I can apply to my future career. All of the different collections we did are typical methods seen as sample collection on real-life oceanographic cruises."

LAUREN VALENZUELA General Biology major from Pittsburg, Kansas

SCHOOL OF Agricultural Sciences

"Moving 4.5 hours away from your hometown, knowing just two people, and starting your career as a young adult is quite intimidating. During my time in the Ag School, I've learned the importance of being intentional in my networking and have grown to appreciate the sense of community between the faculty, staff and students here."

MALERIE SCHUTT Animal Science major
from Hermann, Missouri
