

WHERE YOU CAN
BE EVERY YOU

"The professors truly cared about helping students succeed and preparing us for real careers in health care and wellness. Northwest felt like a community."

Harley Spurlock
APPLIED HEALTH MAJOR FROM SIDNEY, IOWA

EXPERIENCE LIFE AS A BEARCAT!

"What I love most about being in this department is the community that comes with it. The School of Communication and Mass Media is a very interconnected department and I've gotten to know professors and students in all sorts of career fields, which makes it very easy to ask for internship, academic and career advice."

Georgia McGonigle

COMMUNICATION AND MASS MEDIA MAJOR FROM KANSAS CITY, MISSOURI
