Be every you.

nwmissouri.edu/admissions/transfer

"My favorite part about being a transfer is how smooth the transfer from my community college to Northwest was. Not only was the transfer easy, but building friendships and connections was just as easy. No one at Northwest judges you for being a transfer student, and you are treated just the same. A lot of my close friends are also transfer students themselves, and that holds our friendships together like glue."

Wiley Ray

Biology major from Texas

LAPTOP AND TEXTBOOKS INCLUDED

exclusively for on-campus students

SUPPORTIVE LEARNING ENVIRONMENT

Northwest faculty and staff support transfer students inside and outside of the classroom and connect students to campus resources that aid in student success.

95% PLACEMENT RATE

95% of bachelor's degree earners secure employment or continue their education within six months of graduation.
