- See advisor for specific substitutions and requirements for graduation

This sample plan is a supplement to your **Degree Audit**. Consult your advisor on a regular basis for individual academic planning

## THE NORTHWEST DIFFERENCE

**Spanish** majors study the experience of language, life and culture through the lens of the Spanish language. Faculty focus on literary research and cultural studies ensuring students are proficient in speaking and writing in Spanish. Students gain specialty knowledge in film studies, language education and teaching, pluralism and multiculturalism, international relations and politics and language policy.

### Minor in Spanish

A minor in Spanish teaches the foundations of Spanish communication and culture, conversation and composition. After taking the required courses, students can customize their minor from a list of approved electives. For a list of required courses, visit the academic catalog. This minor requires the completion of 24 credit hours.

## CAREER OPPORTUNITIES

## INTERSHIPS

---

Although internships are not required for Spanish majors, they are encouraged. Faculty work with students majors to build personalized Spanish-language internships through local Latino communities and businesses trying to connect with Spanish-language markets.
