Professional schools of nursing pre-requisites required for admission vary – 1 to 2 years of coursework may be required to fulfill pre-requisites. You and your Academic Advisor need to determine the specific requirements for each school where you plan to apply. Much of this information may be found on the web or by writing the respective admissions office. Advisement is necessary to ensure all pre-requisite requirements for your schools of choice are being met.

One or more of the following courses may be required by some nursing programs: Developmental Psychology, Medical Terminology, Nutrition & Diet Behavior, Wellness, PE Activity, Human Development, Economics, Physics, Organic Chemistry or others as indicated.
