

This Four-Year Plan is meant to supplement your **Degree Audit**. You should work with your academic advisor on a regular basis for individual academic planning.

*This Four-Year Plan represents a Comprehensive major which needs no minor. General Electives will be needed to reach the **120 credit hours needed for graduation**. Advanced Criminology courses should be chosen with Advisor counseling.

*PHIL 39-275 and MATH 17-114 fulfill both a NW Core requirement and a major requirement, but the number of credit hours counts only once toward the total number of hours needed for graduation.

Milestone courses are courses which, if not taken in the appropriate semester, can delay graduation. Milestone courses are denoted in yellow below.
