Statement of Financial Responsibility

Please read the following Statement of Financial Responsibility. After you have finished reading the Statement of Financial Responsibility, please click “Yes” on the application to certify that you understood it and agree to be bound by its terms.

By registering for classes at Northwest Missouri State University:

- I agree to pay all fees and other financial obligations to the University as they become due. I understand that the non-payment of any financial obligation may result in my administrative withdrawal from classes.

- I understand that all bills will be emailed to my University email account.

- I understand the payment due dates are two business days prior to the part of term beginning.

- I understand that if I do not pay the full amount billed each month, a 1% per month finance charge (12% APR) will be calculated on the remaining unpaid billed amount.

- I understand that, if my financial obligations are not paid when due, the University may retain an attorney or collection agency to assist with the collection of the outstanding financial obligation. I understand that the collection agency may report balances and payment history to any or all national credit bureaus. I agree to reimburse the University for actual costs of collection, including reasonable interest, reasonable attorney’s fees, court costs, and reasonable collection agency fees.

- I authorize Northwest Missouri State University and its respective agents and contractors to contact me regarding educational matters or my loan(s) and/or other debts, including repayment of my loan(s) and/or other debts, at the current or any future number that I provide for my mobile phone or other wireless device using automated telephone dialing equipment or artificial or pre-recorded voice or text messages.

IRS Tax Form 1098-T Tuition Statement

For tax years beginning with 2015 and all subsequent years, I will access and print IRS Form 1098-T Tuition Statement through my CatPAWS account.

I agree to keep my contact information, including my permanent address and telephone numbers, up to date by contacting the Registrar’s Office to make changes. If I do not consent to receive an electronic copy of IRS Form 1098-T, I will complete a request to receive a paper copy available at http://www.nwmissouri.edu/bursar/forms.htm

The University will provide a confirmation in writing for the withdrawal consent, including the dates on which it takes effect. Withdrawal of consent does not apply to an electronic statement that was furnished before the date on which the withdrawal takes effect. This applies to every tax year after which the electronic
consent is withdrawn. By clicking the ‘accept terms and register’ button below, I affix my electronic signature, consent to this agreement, and I confirm I have read this notification and understand I will receive my IRS Tax Form 1098-T electronically from Northwest Missouri State University unless I withdraw consent as indicated above.
