Standard 1

Standard 1: Content knowledge aligned with appropriate instruction. The teacher candidate understands the central concepts, structures, and tools of inquiry of the discipline(s) and creates learning experiences that make these aspects of subject matter meaningful and engaging for students.				
0-The teacher candidate does not possess the necessary knowledge; therefore, the standard is not evident or is incorrect in performance.	1-The teacher candidate can articulate the necessary knowledge but does not demonstrate in performance.	2-The teacher candidate can articulate the necessary knowledge and demonstrates in performance with some success.	3-The teacher candidate can articulate the necessary knowledge and effectively demonstrate it in performance.	4-The teacher candidate adapts and develops the lesson according to the teaching environment/ student response.
1.1 Vocabulary and Terminology				
Provides no evidence of addressing needed vocabulary and/or terminology for student understanding of content.	Plans to introduce vocabulary and terminology but does not use strategies to enhance student engagement and responses.	Introduces vocabulary and terminology necessary to understand content, but uses limited strategies to engage students	Conveys vocabulary and terminology necessary to understand content and uses evidence-based instructional strategies to engage students.	Promotes students' application of authentic use of vocabulary and terminology relevant to the content.
1.2 Content Delivery				
Shares incorrect information.	Demonstrates an understanding of basic content.	Conveys accurate information when teaching content.	Conveys accurate content knowledge, relevant examples, and content-specific resources to engage students and support learning.	Makes intentional connections between and among relevant content areas.
1.3 Student Application of Content				
Provides no opportunity for students to process content.	Demonstrates an awareness of strategies to allow students to process content.	Provides students with limited opportunities to process content.	Provides students with multiple opportunities to process the content.	Implements additional individualized learning resources and instruction in the content to meet the unique needs of students.
1.4 Student Engagement with Content				
Provides no evidence of planning for student engagement.	Plans for student engagement but no evidence of implementation.	Inconsistently engages students with the content.	Consistently engages the majority of students with the content.	Facilitates a lesson in which every student in the class is actively engaged for the duration of the lesson.

Standard 2

<p>Standard 2: Student Learning, Growth, and Development. The teacher candidate understands how students learn, develop, and differ in their approaches to learning. The teacher candidate provides learning opportunities that are adapted to diverse learners and support the intellectual, social, and personal development of all students.</p>				
0-The teacher candidate does not possess the necessary knowledge; therefore, the standard is not evident or is incorrect in performance.	1-The teacher candidate can articulate the necessary knowledge but does not demonstrate in performance.	2-The teacher candidate can articulate the necessary knowledge and demonstrates in performance with some success.	3-The teacher candidate can articulate the necessary knowledge and effectively demonstrate it in performance.	4-The teacher candidate adapts and develops the lesson according to the teaching environment/ student response.
2.1 Differentiated Lesson Design				
Provides no evidence of differentiating content, process, product, or environment or shows no awareness of student differences.	Describes strategies to differentiate and adjust instruction based on student differences.	Varies activities and strategies within a lesson but does not intentionally consider individual student differences represented in the classroom.	Implements lessons that intentionally vary one or more of the following in order to address student differences: content, process, product, or environment.	Adjusts strategies in the moment based on individual student needs.

Standard 3

<p>Standard 3: Curriculum Implementation. The teacher candidate recognizes the importance of long-range planning and curriculum development. The teacher candidate implements curriculum based upon student, district, and state standards.</p>				
<p>0-The teacher candidate does not possess the necessary knowledge; therefore, the standard is not evident or is incorrect in performance.</p>	<p>1-The teacher candidate can articulate the necessary knowledge but does not demonstrate in performance.</p>	<p>2-The teacher candidate can articulate the necessary knowledge and demonstrates in performance with some success.</p>	<p>3-The teacher candidate can articulate the necessary knowledge and effectively demonstrate it in performance.</p>	<p>4-The teacher candidate adapts and develops the lesson according to the teaching environment/ student response.</p>
<p align="center">3.1 Alignment of Learning Activities to Standards</p>				
<p>Provides no evidence of learning activities with alignment to standards.</p>	<p>Plans for learning activities that are appropriately aligned to standards.</p>	<p>Implements learning activities aligned to standards.</p>	<p>Implements learning activities aligned to chosen standards and incorporates embedded formative assessment.</p>	<p>Delivers lessons and assessments that illustrate a high degree of understanding of the intended standards and considers scope and sequence when implementing lessons.</p>
<p align="center">3.2 Articulation of Learning Objectives</p>				
<p>Provides no evidence of posting or mentioning the learning objectives during the lesson.</p>	<p>Posts the learning objectives but does not mention the objective during the lesson.</p>	<p>States the learning objectives so that some students are able to articulate the objective of the lesson.</p>	<p>Clearly conveys objectives in student-friendly language so that the majority of students are able to articulate the objective of the lesson.</p>	<p>Connects learning objectives to other content areas and applications to enhance student learning.</p>

Standard 4

Standard 4: Critical Thinking. The teacher candidate uses a variety of instructional strategies and resources to encourage students' critical thinking, problem solving, and performance skills.				
0-The teacher candidate does not possess the necessary knowledge; therefore, the standard is not evident or is incorrect in performance.	1-The teacher candidate can articulate the necessary knowledge but does not demonstrate in performance.	2-The teacher candidate can articulate the necessary knowledge and demonstrates in performance with some success.	3-The teacher candidate can articulate the necessary knowledge and effectively demonstrate it in performance.	4-The teacher candidate adapts and develops the lesson according to the teaching environment/ student response.
4.1 Instructional Strategies Leading to Student Centered Ideas and Solutions				
Demonstrates no awareness of the importance of students sharing ideas and generating possible solutions.	Plans strategies to facilitate opportunities for students to share ideas and generate possible solutions.	Uses strategies for some students to share ideas and generate possible solutions.	Implements strategies in which most students convey their ideas or solutions through product or process.	Facilitates student-centered lessons in which students discover for themselves the desired knowledge or skills through product or process.
4.2 Instructional Strategies Leading to Student Engagement in Problem-Solving and Critical Thinking				
Provides no evidence of knowledge of importance of student analysis and discussion of problems and possible solutions.	Plans strategies for analyzing and discussing problems and possible solutions.	Creates opportunities for some students to analyze and discuss problems and possible solutions.	Facilitates opportunities in which most students analyze and discuss problems and possible solutions.	Provides opportunities for students to engage in creative and collaborative problem identification and generation of possible solutions.
4.3 Questioning Techniques				
Provides no evidence of using questions that promote critical thinking.	Plans to use questions that promote critical thinking.	Uses questioning techniques that promote students' critical thinking.	Uses questioning techniques that result in most students providing answers reflecting critical thinking.	Poses questions to provide opportunities for student thinking to delve into real - world topics, which address differing viewpoints, and allows students to respectfully justify their own opinion and solutions to a problem.
4.4 Higher Order Thinking				
Provides no evidence of higher order thinking.	Plans for higher order thinking.	Uses strategies to incorporate higher order thinking.	Consistently uses evidence-based strategies to promote higher order thinking.	Provides opportunities for all students to utilize higher order thinking to analyze and discuss real-world topics.

Standard 5

Standard 5: Positive Classroom Environment. The teacher candidate uses an understanding of individual/group motivation and behavior to create a learning environment that encourages active engagement in learning, positive social interaction, and self-motivation.				
0-The teacher candidate does not possess the necessary knowledge; therefore, the standard is not evident or is incorrect in performance.	1-The teacher candidate can articulate the necessary knowledge but does not demonstrate in performance.	2-The teacher candidate can articulate the necessary knowledge and demonstrates in performance with some success.	3-The teacher candidate can articulate the necessary knowledge and effectively demonstrate it in performance.	4-The teacher candidate adapts and develops the lesson according to the teaching environment/ student response.
5.1 Classroom Expectations				
Provides no evidence of classroom expectations that would contribute to a safe learning environment.	Plans to communicate expectations to maintain a safe learning environment.	Communicates expectations to students in advance, though may not consistently maintain these expectations throughout the lesson.	Implements developmentally appropriate expectations to maintain a respectful and safe learning environment.	Involves all students in promoting a safe learning environment that respects differences and individual preferences.

Standard 7

Standard 7: Student Assessment and Data Analysis. The teacher candidate understands and uses formative and summative assessment strategies to assess the learner’s progress and uses both classroom and standardized assessment data to plan ongoing instruction.				
0-The teacher candidate does not possess the necessary knowledge; therefore, the standard is not evident or is incorrect in performance.	1-The teacher candidate can articulate the necessary knowledge but does not demonstrate in performance.	2-The teacher candidate can articulate the necessary knowledge and demonstrates in performance with some success.	3-The teacher candidate can articulate the necessary knowledge and effectively demonstrate it in performance.	4-The teacher candidate adapts and develops the lesson according to the teaching environment/ student response.
7.1 Use of Data to Monitor Student Learning				
Provides no evidence of data from assessments to monitor the progress of students.	Articulates the importance of collecting assessment data.	Uses formative and/or summative assessment data to monitor the progress of the class as a whole.	Uses formative and/or summative assessment data to effectively monitor the progress of individual students and the class as a whole.	Analyzes trend data to respond instructionally, resulting in a positive impact on student learning
7.2 Formative Assessment Strategies				
Provides no awareness that formative assessments are needed to guide future instruction.	Articulates the need to use formative assessment strategies to gather data on student understanding to guide future instruction.	Uses some formative assessment strategies to partially gather data on student understanding and sporadically implements adjustments to plan future instruction.	Uses formative assessment strategies to effectively gather data about student understanding and uses it to plan future instruction.	Uses multiple assessments to accurately monitor, analyze, and adjust mid-lesson instruction, to increase the progress of each student and the class as a whole.
7.3 Assessment Records				
Provides no evidence of an understanding of maintaining student assessment records.	Articulates a process for maintaining student assessment records.	Confidentially maintains student assessment records, though processes are inconsistent.	Maintains student assessment records consistently and confidentially.	Maintains detailed student assessment records consistently and confidentially and uses the data to inform collaboration with data teams, students, and families.
