An electronic form is now available for students to make requests to faculty and staff for written and/or verbal recommendations.

As a reminder, the *Family Educational Rights and Privacy Act (FERPA)* requires written consent from a student before disclosing any personally identifiable information. Written consent must include: specified records to be released, purpose of disclosure, and party or parties to whom the disclosure is to be made. Requests must be signed and dated by the student (verifying identity through electronic login serves this purpose).

The *FERPA Release Request for Written/Verbal Recommendation* form can be found on the Registrar’s website under the Student Forms tab: <https://www.nwmissouri.edu/registrar/forms.htm>.

Steps to Follow:

1. *Student completes the FERPA Release form* entering the appropriate information and a correct faculty or staff email address.
2. *Once the form is submitted, a notification email including a link to approve will be sent to the designated faculty/staff email.*
3. *Faculty/Staff login to the link using network username/password, acknowledge request and agree to provide, or deny request, sign electronically and submit.*
4. *Faculty/Staff complete and/or send written/verbal recommendation as requested.*
