DESE now collects MEES summative forms from cooperating teachers who host a student teacher 12 weeks or more each semester. All multiple choice items on those summative forms need to be completed. If you have a summative form that needs to be completed in Tk20 or even one item on the form that needs to be completed from a previous semester, please use these directions.

Please use this link to access your Tk20 account: https://tk20.nwmissouri.edu/campus/toolshighered/klogin_menu.do.

You should receive a Tk20 login by email. If not please contact Mike McBride at mam77@nwmissouri.edu or 660-562-1089 for login credentials.

Please Go to FIELD EXPERIENCE -> ASSESSMENTS tab. Click on the “Previous Field Experience Assessments” tab.

Please click on the name of the student to assess them.
Please click on the link to the summative form.
NOTE: DESE requires that all multiple choice questions on the summative form be answered.
Once you have filled in the form please click on “complete” to submit the form.
