DESE now collects MEES summative forms from all university supervisors each semester. All items on those summative forms need to be completed. If you have a summative form that needs to be completed or even one item on the form that needs to be completed from a previous semester, please see these directions.

Please Go to FIELD EXPERIENCE -> ASSESSMENTS tab.

Click on the “Previous Field Experience Assessments” tab.

This is the home screen that appears after successful login.

Please click on the name of the student near the final binder to assess them.

NOTE: Your assessment forms are only in the “final binder” for each student.
Please click on the link to the summative form.
NOTE: DESE requires that all multiple choice questions on the summative form be answered. If you cannot assess a candidate on an item, please choose “not observed”.
