Student information

 Last name First name Middle initial Northwest 919 number

 Address City State ZIP Phone Number

Distributions from pensions, annuities, and other similar accounts are usually reported to you on IRS Form 1099-R. Federal Regulations state that if you receive a lump-sum distribution, you can roll over the distribution into another qualified retirement plan or IRA and retain the tax-deferred status. When you used the IRS Data Retrieval Tool (DRT) when completing the 2022-2023 FAFSA, you indicated that you had a rollover for tax year 2020. Complete this form to provide the rollover information and documentation to our office.

Please complete this form if all or some of an IRA or Pension has been rolled over. Untaxed IRA distributions are calculated using the difference between lines 4a and 4b of IRS form 1040. Untaxed pension and annuity distributions are calculated using the difference between lines 4c and 4d of IRS form 1040. Please review your individual tax return, complete the table below, and send the completed form to our office **after attaching the 1099 and/or investment documents confirming the rollover.**

Distribution Type	Total Amount	Taxable Amount	Untaxed Amount	Amount of Untaxed Portion Reinvested
IRA Distribution(s)	\$	\$	\$	\$
Pension/Annuity Distribution(s)	\$	\$	\$	\$

Please remember, we are unable to process this form unless a 1099 and/or other investment documents are attached to confirm the rollover.

Certification statement

By signing, I certify that all information reported is complete and accurate.
