CAREER READY. DAY ONE.

Bachelor of Arts in Music, Bachelor of Music Education, & Music Minor

Declare a major in one of our music programs or choose to minor in music. Music education degrees include a choice between elementary music with middle/high school choral education or elementary music with middle/high school instrumental education. A Bachelor of Arts in Music has four emphasis areas to consider. A minor in music is available to students with a major in another academic discipline.

Bachelor of Music Education

Become a music educator and study musical performance by earning your degree in music education:

- Establish a professional foundation with music
- Perform and conduct
- Get practical experience in the K-12 classroom
- Instrumental emphasis for elementary general music and middle/high school instrumental music
- Vocal emphasis for elementary general music and middle/high school choral music
- Dual certification is available

Bachelor of Arts in Music

Earn a Liberal Arts degree exploring career paths in music. Learn music through private/applied lessons, music theory, music history, performance, composition, arranging and more with an emphasis in:

- Music
- Music with Audio Production
- Music with Business
- Music with Wellness

Music Minor

A music minor is available as part of another academic major. It includes required classes similar to, but lesser than a music major.
