Contributions to Northwest during the 2019 fiscal year

NORTHWEST POSTCARD

Northwest students and staff members unveiled the number of dollars raised through the University's Forever Green campaign during an Oct. 24 kickoff event.

The campaign, which is just the second in the institution's history, seeks to raise \$45 million for initiatives that are centered on academic excellence, scholarships, student life and other donor-directed gifts.

TRADITIONS

- 4 Dear Friends
- 6 Annual Report
- 9 Scholarship Recipients
- 16 Lifetime Giving
- 19 Annual Giving

Northwest Missouri State University is an equal-opportunity, co-educational university and does not discriminate based on race, sex, disability, age, national origin or religion. Printed in the USA.

DEAR FRIENDS

The Bridge issue honors those who have chosen to “be a bridge” to Northwest’s future through their generous contributions. On behalf of all students who will benefit from enhanced programs, facilities and scholarships, I thank you.

During Homecoming week, my wife, Valorie and I participated in the public phase kickoff for the Forever Green campaign. This \$45 million campaign will raise funds in four areas: academic excellence, student life, scholarships and investments in Northwest. At the kickoff ceremony, we were especially touched by the remarks of Asma Hassan, who told of her journey from immigrant to president of the Student Senate.

Of this fall’s freshman class, an astonishing 46 percent are first-generation students, a distinction I share with them and with Asma. Northwest has long been a gateway to opportunity, and we continue to serve students of modest means. It is why we have intended from the beginning to exceed the campaign’s goal and build our capacity to provide scholarship assistance.

An early project of the campaign was the Carl and Cheryl Hughes Fieldhouse, now in its second year of serving students. Our current focus is raising the remaining funds for an Agricultural Learning Center to be built on the University’s R.T. Wright Farm. It will be a fantastic addition to our fast-growing professional school and elevate Northwest’s capacity to service Missouri’s No. 1 industry.

Valorie and I are deeply and passionately Forever Green because Northwest was a great launch pad for our future. Today’s 7,000-plus students will someday learn that choosing Northwest was likewise a sound decision, creating yet another generation that is Forever Green.

FOREVER GREEN

Campaign for Northwest

NORTHWEST LAUNCHES CAMPAIGN WITH \$45 MILLION GOAL

With the sounds of the “Bearcat Fight Song” and a chant of “B-E-A-R-C-A-T-S, Northwest officially launched the public phase of its Forever Green campaign Oct. 24.

Conceived and launched into a quiet phase in 2014, the campaign seeks to raise \$45 million for initiatives at the University that are centered on academic excellence, scholarships, student life and other donor-directed gifts. The University celebrated the launch during its Homecoming week and announced the campaign has raised nearly \$43 million to date.

Northwest Foundation Board members are responsible for 21 percent of the total dollars raised.

“Northwest is a steward of place,” Northwest President Dr. John Jasinski said. “We’re a steward of this community and the communities we’re serving. We are an engine of opportunity. Our Forever Green campaign represents an important fuel to burn an engine of opportunity.”

Dr. Marilou Joyner ’75, ’78, ’82, the chair of Northwest’s Board of Regents, expressed gratitude to all who have contributed to the campaign so far while reflecting on the reasons she continues to support the University. She earned bachelor’s, master’s and education specialist degrees at Northwest as a non-traditional student. Today, she is chief executive officer, owner and administrator of Cameron Group Care Inc.

“Finding success at Northwest fueled my desire

Asma Hassan

Dr. John Jasinski

to have more skills, and for me that meant returning to Northwest,” Joyner said. “The reality is that back then, and even more now, Northwest meets students where they are, regardless if they are from a different country, if they are in need of financial assistance, unable to come to our physical campus and even those that are married with kids.”

Among the Forever Green campaign’s successes was the completion of the Carl and Cheryl Hughes Fieldhouse last year. The Carl ’76 and Cheryl ’78 Hughes, Family Foundation, the Mel ’67 & Valorie Booth Family, the city of Maryville and Nodaway Valley Bank captained the Founding 50, a group of donors giving \$50,000 and greater toward the project.

Additionally, Northwest is seeking donor support for its Agricultural Learning Center, an estimated \$8.5 million, 29,000-square-foot center to be built at the R.T. Wright Farm.

The campaign will help the Northwest Foundation dramatically increase scholarship awards to students. It also seeks to secure support for University faculty through endowed funds, such as the Dennis C. Dau Endowed Professorship in Instrumental Music, provided through a gift announced in 2017.

Scholarship gifts have aided students like Northwest Student Senate President Asma Hassan with achieving their dreams of earning a college degree. Hassan, who was born in Saudi Arabia and came to the United States with her parents as a young child, is a senior psychology and human services major at Northwest. She is among the 38 percent of Northwest’s total student population who identify as first-generation college students.

“I knew I wanted to be a student here as soon as I drove up,” she said. “The smiles, greetings, the recognition of every nation, and the pride that we hold about each student being here is what makes Northwest a home to all Bearcats. Being Forever Green allows me to share the home that I found. It allows me to keep connecting with other people, learning, caring, practicing civility, and most importantly, showing my Bearcat pride.”

NUMBER OF DONORS

FOUNDATION SCHOLARSHIP AWARDS

Foundation reports successful FY19, awards record number of scholarships

Northwest Foundation Inc., the fundraising arm of Northwest, awarded its highest level of scholarship distributions and secured \$5.3 million in donor funding during Fiscal Year 2019, a 15 percent increase over last year's total and adding to a record \$22.5 million during the last three years.

As scholarship support remains a central mission of the Foundation, it awarded \$1.06 million in financial assistance through 1,344 scholarships during FY19. Those numbers represent the highest dollar amount awarded in the history of the Foundation as well as the highest number of donor-funded scholarships awarded.

"Yet again, thanks to the generosity of our alumni and friends, it has been a landmark year for charitable giving at Northwest," Dr. Lonelle Rathje '97,'03, the vice president of external relations at Northwest and executive director of the Northwest Foundation, said. "We are deeply appreciative that our donors understand the extensive effects of optimizing and preserving a comprehensive Northwest education. Their support is testament to Northwest's student-centric culture, workforce solutions and its resulting performance excellence."

Eighty-five percent of the total funds raised by the Foundation during FY19 were cash gifts, and 4,480 donors contributed. The Foundation's total assets under management increased 4.56 percent to \$38.2 million, while its endowment stands at more than \$26 million. In FY19, the Foundation provided nearly \$5 million to the University to support various needs; the Foundation's University support during the last three years totals \$15 million.

To ensure additional funding for scholarships and program needs, the Foundation Board of Directors decreased the management fee assessed on its endowed funds from 1.95 percent to 1.75 percent.

"The Board of Directors thanks our generous donors and friends for making this level of scholarship funding possible," Jennifer Dawson Nicholson '71, the president of the Foundation Board, said. "We also thank our hardworking University Advancement staff and leadership, who continue, year after year, to move the missions of the Foundation and University forward. We continue to actively review all expenses attributable to our endowment, and we are very pleased to be able to lower our management fee to help make an even bigger impact for the University."

Another highlight of FY19 was the opening of the Carl and Cheryl Hughes Fieldhouse, a 137,250 square-foot, \$20 million facility designed to serve a multitude of social, recreational and economic needs for the University and region.

As one of the largest public-private partnerships ever in the region, the Hughes Fieldhouse project secured the largest amount of donor funding for a capital project in Northwest's history with nearly 700 donors providing more than \$14 million in gifts and pledges for the project. The Founding 50, a group of lead donors who have committed gifts of \$50,000 or greater to the project, grew to a membership

University and community leaders gathered Sept. 4 for a ribbon-cutting to celebrate the completion of a new farm manager's house at Northwest's R.T. Wright Farm. Northwest constructed the 1,300-square-foot home during the last year in partnership with the Maryville R-II School District's Northwest Technical School and its building trades program.

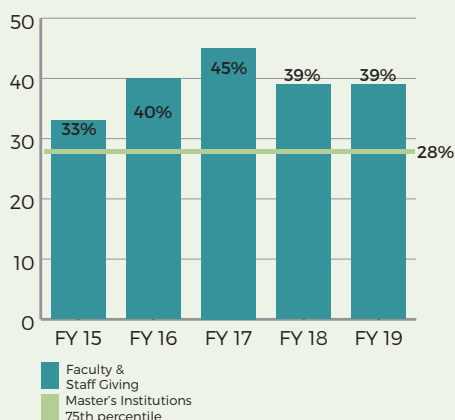

of 75 donors whose gifts represent 94 percent of the dollars raised.

Donors provided additional funding for the project through the sale of bricks, pavers, trees and benches to beautify the landscape surrounding the Hughes Fieldhouse. Supporters interested in purchasing bricks, pavers and trees at the facility may do so by visiting www.nwmissouri.edu/HughesFieldhouse/giving.htm.

Additionally, the Foundation is actively raising funds for Northwest's Agricultural Learning Center, a multipurpose facility to be built at Northwest's 448-acre R.T. Wright Farm. Donors contributed nearly \$2.3 million toward the center in FY19, raising the total amount raised for the project to nearly \$4.5, while the state of Missouri has allocated \$2.5 million for the \$8.5 million project. The facility will include classrooms, exposition and laboratory spaces, allowing producers, consumers and all Northwest students opportunities to discuss, learn and strategize solutions for the agriculture industry and food system.

Furthermore, The 1905 Society grew 5.3 percent to 170 members, and the amount contributed increased by 6.46 percent. The 1905 Society recognizes supporters who make an annual unrestricted gift of \$1,000 or more. Meanwhile, the Foundation's annual giving program raised \$414,000, an increase of 36 percent compared to FY18.

FACULTY AND STAFF GIVING

TRAVEL, VOLUNTEER HOURS HIGHLIGHT ALUMNI ENGAGEMENT

The Northwest Alumni Association and the Office of University Advancement's Alumni Relations and Annual Giving staff continued in FY19 to expand opportunities for alumni and friends to support and connect with Northwest.

The Northwest Alumni Association hosted more events in FY19 than in FY18, representing an increase in total programming by more than 9 percent. Also, more than 32,000 Bearcats attended organized events, an increase of more than 18 percent from the previous year.

A few highlights during the 2018-19 academic year included the Northwest Alumni Association Awards Banquet honoring seven individuals during Family Weekend, the Class of 1968 returned to campus to celebrate its Golden Reunion during Homecoming, Northwest Night at the St.

Joe Mustangs and Northwest Day the Kansas City Zoo. Additionally, the Alumni Association's alumni and friends chapters stayed busy by hosting events and socials throughout the country, and the creation of the Theatre Alumni and Friends Chapter, grew the total number of chapters to 22.

The Northwest Alumni Association's Tourin' Bearcats travel program continues to be well received. Upcoming trips to both Greece in the winter of 2020 and New York City, Niagara Falls, and Washington, D.C., in the summer of 2020 have been popular, requiring more seats to be added to both sold-out trips. For more information about travel opportunities, contact the Alumni Relations Office at 660.562.1248.

Alumni Relations continues to strengthen its partnership with areas throughout campus,

including the Department of Athletics, Career Services, and the offices of Student Recruiting, Diversity and Inclusion, and Student Involvement. Alumni Relations hosted tailgates, assisted with recruiting Bearcats, attended career fairs, attended the Missouri and Iowa state fairs, and welcomed new students throughout the region at six organized New Student Send-Offs.

The Northwest Alumni Association thanks the almost 300 volunteers who provided their time and support during FY19. In total, time volunteered with the Alumni Association was valued at more than \$91,000 during the year.

Overall, dollars raised by the Annual Giving program increased by 36 percent from the previous year. Dollars raised through the call center, mailed appeals and online giving are just a few areas that contributed to the increase in total annual giving. Additionally, membership and dollars raised through The1905 Society increased for the third

consecutive year. The tradition of thanking Northwest donors was again celebrated during the fifth annual Thank a Donor Day in April. The event provides an opportunity for students and faculty to come together to say thank you to Northwest's generous donors.

SCHOLARSHIP RECIPIENT: DANELLE MCMORROW

McMorrow, a junior accounting major from Omaha, Nebraska, is a recipient of the Cook/Imes Distinguished Scholarship and the Charles M. Place Memorial Scholarship.

“Scholarships from Northwest have allowed me to balance my work and classes,” she said. “This balance has allowed me to focus on career development and relieve some worries regarding financing my education. Without the scholarships, I would not have been able to pursue the opportunities that I have been given.”

McMorrow says she chose to pursue her degree at Northwest because of the sense of community she felt every time she visited. She is active in Accounting Society and Sigma Society in addition to serving as an ambassador for the Melvin V. and Valorie G. Booth School of Business and working as a gift processor in the Michael L. Faust Center for Alumni and Friends. She also has participated in the Northwest Dance Company, Alpha Sigma Alpha, Panhellenic Council and the Horticulture Club.

“Northwest has given me opportunities to hold leadership positions in multiple organizations,” she said. “Through these organizations, I have been exposed to new situations that have allowed me to grow into the person I am today.”

Upon completing her bachelor’s degree, she plans to pursue a Master of Business Administration and become an accountant.

ADOPT-A-BEARCAT SCHOLARSHIPS

To assist in meeting a critical need for scholarship dollars, Northwest created this unique annual giving program. Recipients meeting the University's policies for admission and financial assistance receive a one-time, \$500 Adopt-a-Bearcat Scholarship to help offset educational expenses. Northwest matches a donor's gift (minimum \$250) dollar-for-dollar and awards scholarships in his or her honor, or that of a loved one. For example, if a \$500 donation is made, Northwest matches

it and awards two individual \$500 scholarships. These scholarships are crucial in providing the additional funding needed for students who might otherwise not have been able to afford attending Northwest. Several groups of donors collectively have offered one or more scholarships. Adopt-a-Bearcat Scholarships awarded during the program's fiscal year are listed below.

Alan Bubalo Business/Finance Scholarship (2)
Alice Hersh Scholarship
Alsbury-Leopard Family Music Scholarship (3)

HERITAGE SOCIETY

These donors have created a planned or deferred gift for the University or Northwest Foundation. There is no minimum level of gift required.

James H. Lemon, a member of the Missouri House of Representatives, introduced House Bill No. 311, also known at the time as the "Nodaway County Normal Bill." Fighting against strong opposition in the House, Lemon is credited with establishing the Fifth District Normal School as Northwest was originally known. His efforts culminated 30 years of struggle to bring higher education to the region.

LIFETIME GIVING

THE TURRET SOCIETY

These donors have contributed \$1 million or more in lifetime gifts.

As students in the early 1900s arrived at the Maryville train depot, one of the first sights to the west of the station was the impressive turrets atop the institution's Academic Hall, later known as the Administration Building. Through devastating tornados and a destructive fire, the Administration Building and its turrets have withstood the test of time, standing tall as an enduring symbol of Northwest.

THE GAUNT HOUSE SOCIETY

These donors have contributed between \$500,000 and \$999,999 in lifetime gifts.

Born in Staffordshire, England, on April 4, 1830, Thomas W. Gaunt was the son of Thomas Gaunt and Catherine Wooley. He moved to Nodaway County in 1857, where he established his own plant nursery cultivating a wide variety of ornamental, shade and fruit trees. The Thomas Gaunt House was constructed during the 1870s. It has been the home for all Northwest presidents since its donation in 1905 by the daughters of Thomas Gaunt.

THE BIRCHES SOCIETY

These donors have contributed between \$250,000 and \$499,999 in lifetime gifts.

The first building erected on campus was Academic Hall, now known as the Administration Building. Its commanding location is situated on the highest point of land between Omaha, Nebraska, and St. Louis on the old Wabash Railroad line, 1,163 feet above sea level. Five cut-leaf birches stood at the site like sentinels, prompting faculty and students to describe the Normal School as being located "behind the birches."

THE BELL TOWER SOCIETY

These donors have contributed between \$100,000 and \$249,999 in lifetime gifts.

In 1965, Dr. Robert P. Foster announced plans to build a bell tower as a memorial to deceased alumni, former faculty members and those from the University's family who died representing our country. After years of raising money, ground was finally broken in fall 1970 and the sounds of chiming bells greeted students returning for the fall of 1971.

THE LONG WALK SOCIETY

These donors have contributed between \$25,000 and \$99,999 in lifetime gifts.

The original architect's plans for the campus, which were modeled after Cambridge University, included a large quadrangle, marked on the most northern point by the Administration Building, with all future campus buildings built facing the quadrangle. While the original plans were never realized, the first sidewalk built from the entrance at Fourth Street ran straight up to the front door of the Administration Building and became known as the Long Walk.

PACESETTERS

ASSOCIATE MEMBERS

The Northwest Foundation is thankful for the lifetime support of all alumni and friends. Although lifetime giving levels now begin at \$25,000, these individuals assumed a vital role in the former Tower Society with their lifetime gifts between \$10,000 and \$24,999.

**SCHOLARSHIP RECIPIENT:
 RYAN TALKINGTON**

Talkington, a junior agricultural education major from Bowling Green, Missouri, is the recipient of the Marvin Hoskey Agricultural Education Scholarship.

“Donors allow students like me the opportunity to be able to focus on school work, be successful in the classroom, and get involved in the campus community,” Talkington said. “Donations also help students have peace of mind, comfort and a chance to have a positive experience at Northwest.”

Talkington, who says he appreciates

the big-school opportunities Northwest offers at an affordable cost, is president of Northwest's Collegiate Farm Bureau chapter and active in Collegiate FFA. He also works at the University's R.T. Wright Farm.

“Northwest is providing me with the opportunity to network and grow strong relationships with fellow students and faculty alike,” Talkington said. “Through these relationships we create a place

where diverse minds come together to create diverse thoughts. It has allowed me to become the best person I can be.”

After completing his bachelor's degree at Northwest, Talkington hopes to begin his career as an agricultural educator in a rural school.

ANNUAL GIVING

THE REGENTS' CIRCLE

These donors contributed at least \$25,000 between July 1, 2018, and June 30, 2019.

The Board of Regents serves as the governing body for Northwest Missouri State University. The nine members, including a non-voting student regent, are appointed by the governor and approved by the Missouri Senate. The board holds the Northwest vision in highest regard.

THE CORNERSTONE CIRCLE

These donors contributed between \$5,000 and \$9,999 between July 1, 2018, and June 30, 2019.

The cornerstone of Academic Hall, now the Administration building, was laid Oct. 12, 1907, amid great celebration, including a parade. Into the cornerstone, a copper box was placed that included many items from the era such as coins, pictures and a copy of the law that created the Fifth District Normal School. After many heartaches and delays, the building was finally completed in 1910.

THE PRESIDENT'S CIRCLE

These donors contributed between \$1,000 and \$4,999 between July 1, 2018, and June 30, 2019.

Ten presidents have served Northwest from its days as the Fifth District Normal School to present day Northwest Missouri State University. Through their guidance and leadership, Northwest has grown into one of the most respected universities in the country.

FOREVER GREEN

Campaign for Northwest

For more information about the **Forever Green** campaign and to learn about making a gift to support Northwest, contact the Office of University Advancement at 660.562.1248 or visit www.nwmissouri.edu/ForeverGreen/.

THE NORTHWEST CIRCLE

These donors contributed between \$10,000 and \$24,999 between July 1, 2018, and June 30, 2019.

The Fifth District Normal School opened in 1905, offering two-year programs to educate teachers for the region. The name was changed to Northwest Missouri State Teachers College in 1919 as the curriculum began to focus on four-year programs. As its prominence as a regional institution began to grow and the fields of study continued to expand, the name was changed to Northwest Missouri State College in 1949. Finally, as the breadth of its programs continued to increase, especially graduate studies, the name Northwest Missouri State University was approved in 1972. No matter the formal name, the institution has always been known by its alumni and friends as Northwest.

THE NORMAL SCHOOL CLUB

These donors contributed between \$500 and \$999 between July 1, 2018, and June 30, 2019.

Efforts to bring a normal school - a training school for teachers in the public schools - to northwest Missouri began in 1874. After many years of struggle, in 1905, House Bill 311 and Senate Bill 114 were passed and signed into law by Gov. Joseph W. Folk. For 14 years, the institution was known as the Fifth District Normal School and graduated hundreds of teachers who served the region.

THE LAKE VIEW CLUB

These donors contributed between \$250 and \$499 between July 1, 2018, and June 30, 2019.

The lake on campus was created during the tenure of President Uel W. Lamkin. Known as Lamkin Lake, College Pond and now Colden Pond, the area has always been a popular place for students to gather and relax. Included in the surrounding geography are the well-known Kissing Bridge, the Karen Hawkins Memorial Peace Pavilion and Joyce and Harvey White International Plaza, making the south entrance to campus a visual masterpiece.

THE 1905 SOCIETY

These donors provided a minimum of \$1,000 in unrestricted monetary support that is vital to achieve the possibilities that pave the way for a brighter future for Northwest and its students.

The goals Northwest sets for itself continue to be ambitious, inspiring and visionary. The establishment of the Fifth District Normal School in 1905 was the culmination of a 30-year struggle to bring higher education to the region.

MATCHING GIFT COMPANIES

Most large corporations encourage volunteerism and charitable giving and are willing to match, dollar for dollar - or even greater - the amount that their employees donate to higher education. Along with matching monetary donations, some match volunteer hours with a cash amount. To find out if you or your spouse's employer will match your gift, talk with your human resources office.

Omissions

Because of space constraints, the Northwest Foundation is unable to list supporters donating less than \$249. Should you believe there is an omission or discrepancy in the Honor Roll of Donors, please direct your concerns to Lori Steiner in the Office of University Advancement at steiner@nwmissouri.edu or 660.562.1248.

MAXIMIZE SATISFACTION FROM YOUR INVESTMENTS

FOREVER GREEN

Campaign for Northwest

Options for Charitable Planning

Here are some ideas that can help you make the most of your investments through charitable planning.

OPTION	BENEFIT
Gift of appreciated assets	Income tax deduction
Charitable remainder unitrust	Payments and income tax deduction
Beneficiary designation	Estate tax savings
Life insurance	Income tax deduction

You have worked hard all your life to save and grow your investments. If you are like most people, you are looking for ways to minimize taxes and maximize not just your monetary gain but the overall satisfaction you receive from your assets.

To learn more, visit northwestlegacy.org or contact the Office of University Advancement at 660.562.1248 or advance@nwmissouri.edu.
