

The 1905 Society FY19

The goals Northwest sets for itself continue to be ambitious, inspiring and visionary. The establishment of the Fifth District Normal School in 1905 was the culmination of a 30-year struggle to bring higher education to the region.

These donors provided a minimum of \$1,000 in unrestricted monetary support, which is vital to achieve the possibilities that pave the way for a brighter future for Northwest and its students.
