# The Northwest Circle FY22

These donors contributed between \$10,000 and \$24,999 between July 1, 2021, and June 30, 2022.

The Fifth District Normal School opened in 1905, offering two-year programs to educate teachers for the region. The name was changed to Northwest Missouri State Teachers College in 1919 as the curriculum began to focus on four-year programs. As its prominence as a regional institution began to grow and the fields of study continued to expand, the name was changed to Northwest Missouri State College in 1949. Finally, as the breadth of its programs continued to increase, especially graduate studies, the name Northwest Missouri State University was approved in 1972. No matter the formal name, the institution has always been known by its alumni and friends as Northwest.

# The Cornerstone Circle FY22

These donors contributed between \$5,000 and \$9,999 between July 1, 2021, and June 30, 2022.

The cornerstone of Academic Hall, now the Administration building, was laid Oct. 12, 1907, amid great celebration, including a parade. Into the cornerstone, a copper box was placed that included many items from the era such as coins, pictures and a copy of the law that created the Fifth District Normal School. After many heartaches and delays, the building was finally completed in 1910.

# The Normal School Club FY22

These donors contributed between \$500 and \$999 between July 1, 2021, and June 30, 2022.

Efforts to bring a normal school - a training school for teachers in the public schools - to northwest Missouri began in 1874. After many years of struggle, in 1905, House Bill 311 and Senate Bill 114 were passed and signed into law by Gov. Joseph W. Folk. For 14 years, the institution was known as the Fifth District Normal School and graduated hundreds of teachers who served the region.

# The Lake View Club FY22

These donors contributed between \$250 and \$499 between July 1, 2021, and June 30, 2022.

The lake on campus was created during the tenure of President Uel W. Lamkin. Known as Lamkin Lake, College Pond and now Colden Pond, the area has always been a popular place for students to gather and relax. Included in the surrounding geography are the well-known Kissing Bridge, the Karen Hawkins Memorial Peace Pavilion and Joyce and Harvey White International Plaza, making the south entrance to campus a visual masterpiece.
