These donors have created a planned or deferred gift for Northwest or the Northwest Foundation. No minimum level of gift is required.

James H. Lemon, a member of the Missouri House of Representatives, introduced House Bill No. 311, also known at the time as the "Nodaway County Normal Bill." Fighting against strong opposition in the House, Lemon is credited with establishing the Fifth District Normal School as Northwest was originally known. His efforts culminated 30 years of struggle to bring higher education to the region.
