3. #218-62-01, Shantel Farnan, [Special Education M.S.Ed.](#) Motion passed with a vote of 7-yes, 0-no
4. 218-29-04, Matt Walker, [Strategic Communication M.A.](#) Following discussion, motion passed with a vote of 4-yes, 3-no.

Old Business

5. Proposal #218-22-03 was tabled at the April 9, 2018 meeting. Clarification was provided by the Dr. Symonds for reconsideration: **We chose keep the course at the 500-level, even though we removed it from the graduate list, as there is a possibility that graduate students MAY take the course, depending upon their undergraduate preparation and/or specific career goals. For example, if we had a graduate student that wanted to enter the cardiac rehab field, we would encourage them to take 22-532, due the nature of the content in the course. However, because our undergraduate applied health science program is growing rapidly and we only have capacity to offer the course once per year, we wanted to remove it from the listing for the graduate program to save more room for undergraduate students. Let me know if you need more information.**

Dr. Rytting made a motion to un-table the proposal with a friendly suggestion to provide the specific course numbers. Dr. Miller seconded the motion. Motion passed with a vote of 6-yes, 1-abstain.

Graduate Faculty Recommendation

6. **Dr. Travis Tennant, Graduate Faculty, School of Agriculture Sciences**
 - Terminal degree in academic subfield
 - PhD. In Animal Science and subfield of Food Science from Northwest Carolina State in 2017.
