

Northwest Ally Group Fall Meetings

Interested in being an ally for social justice?

Join us!

Monday, 4-5 pm, on:

- September 9
 - October 7
 - November 11
 - December 9
-
- B. D. Owens Library Meeting Room
(Library Lounge)

The Northwest Ally group is designed to create safe spaces for members to share and process experiences. As allies, the group also allows participants the opportunity to identify ways in which we can appropriately use our privilege to bring about social change. We attend diversity and inclusion events, and collaborate with other university diversity and inclusion groups in a supporting role as requested/desired.
