

One-Page Concept Proposal Form for Planning Faculty Led Short-Term Study Programs

To be completed by faculty who are planning travel programs with students for academic credit.

The purpose of this form is to secure approval from your department and share your idea with the Study Abroad Office before submitting a full proposal (which includes: program descriptions, itinerary, course syllabus, budget proposal, researching providers, etc). If requested, the Study Abroad Office will assist you in securing a provider or partner institution that can manage the logistics of your program at your destination.

STEP 1: Secure signature from your department chair/school director and submit signed form to the Study Abroad Office by **May 31** for programs departing in the **spring** and **September 1** for programs departing in the **summer**. Concept proposal forms submitted on time will be given priority consideration.
