Students should ideally have completed all general education requirements, including those listed above, before beginning the program. If a student has not done so, they may be admitted to the university, but will not be able to begin the program at Northwest-Kansas City, unless the pre-requisite coursework listed above is complete.

Any business course taken at another regionally-accredited institution deemed equivalent to a Northwest business course will transfer, providing that at least 60 percent of the comprehensive major is completed at Northwest.

For transcript evaluation or to meet with an advisor contact nwkc@nwmissouri.edu or call 855-445-7461

Common Professional Component Requirements
To ensure a common professional foundation among the accredited business programs at Northwest-Kansas City, all students majoring in School of Business degrees are required to fulfill the common professional component (CPC) requirements. All CPC courses on the course sequences are marked with a •. A grade of "C" or better is required in all CPC courses and all major courses.

Admission to the School of Business
To ensure that students have the necessary tools to succeed in their major and in major-specific courses, students must meet the following requirements in order to be admitted to the School of Business.

Students who have met the admission requirements will submit an application to the Booth School of Business and, upon notification of their admission, can pursue advanced courses in consultation with their academic advisor. This form should be completed by students who are currently pursuing a major in the Booth School of Business. This form will, once all information is verified, complete the ‘Admission to the Booth School of Business’ requirement on the degree audit. This applies to students starting with the 2017-2018 Undergraduate Catalog. Visit https://www.nwmissouri.edu/business/apply.htm for online application.

*If transferring from any other post-secondary institution, please see advisor for pre-requisite course list.
