MISSOURI STATE UNIVERSITY

## Elementary Teachers,

Do YOU want to

- Build background knowledge in mathematics?
- Raise student achievement in mathematics?
- Better understand the new Missouri Grade-level Expectations relating to Geometry?

...while earning graduate credit to advance on your district salary schedule!

IF YES, enroll in 17-628 (and 62-628) Geometry and Measurement for Elementary Mathematics Specialists, to earn four hours of graduate credit this Spring. This is a blended course meaning most of the work is done online, and you meet with your instructor and classmates five times through the semester at the St. Joseph Center (3500 N. Village Drive, St. Joseph, MO). The dates for the face-to-face meetings are from January 10<sup>th</sup>, January 31<sup>st</sup>, February 28<sup>th</sup>, March 28<sup>th</sup> and April 25<sup>th</sup> 5:30pm-8:30pm.
